Wisdom and a certain kind of tenderness are to be found on every page. Observer. One of the great prose stylists of our time. There are few paragraphs that pass by without an illuminating wise or funny comment. Tim Smith Laing Daily Telegraph. A rallying cry for the pleasures of reading. The best writers are energetic readers constantly diving for buried treasure. Anyone who encounters this book is likely to emerge with something new and gleaming. Financial Times _____ Edmund White made his name as a writer but he remembers his life through the books he read. For White each momentous occasion came with books to match. Proust's *Remembrance of Things Past* which opened up the seemingly closed world of homosexuality, the Ezra Pound poems adored by a lover he followed to New York, the biography of Stephen Crane that inspired one of White's novels. White's larger than life presence on the literary scene lends itself to fascinating intimate insights into the lives of some of the world's best loved cultural figures. Blending memoir and literary criticism *The Unpunished Vice* is a sensitive smart account of a life in literature. [States of Desire Revisited](#) Edmund White, 2014-09-18 *States of Desire Revisited* looks back from the twenty first century at a pivotal moment in the late 1970s. Gay Liberation was a new and flourishing movement of creative culture, political activism and sexual freedom just before the 1980s devastation of AIDS. Edmund White traveled America recording impressions of gay individuals and communities that remain perceptive and captivating today. He noted politicians in D.C. working the system, fighting radicals in New York and San Francisco, butch guys in Houston and self-loathing but courteous gentlemen in Memphis, the Fifties in Deep Freeze in Kansas City, progressive thinkers with conservative style in Minneapolis and Portland, wealth and beauty in Los Angeles and in Santa Fe, a desert retreat for older gays and lesbians since the 1920s. White frames those past travels with a brief bracing review of gay America since the 1970s, now we were all supposed to settle down with a partner in the suburbs and adopt a Korean daughter, and a reflection on how Internet culture has diminished unique gay places and scenes but brought isolated individuals into a global LGBTQ community. *Inside a Pearl* Edmund White, 2014-01-01 A literary treat, a memoir of Edmund White's years among the cultural and intellectual elite of 1980s Paris. **City Boy** Edmund White, 2009-01-01 A memoir of the social and sexual lives of New York City's cultural and intellectual in-crowd in the tumultuous 1970s from the acclaimed author Edmund White. *Jack Holmes and His Friend* Edmund White, 2012-01-05 Many straight men and gay men are best friends but if the phenomenon is an urban commonplace it has never been treated before as the focus of a major novel. Jack Holmes is in love but the man he loves never shares his bed. The other men Jack sleeps with never last long and he dallies with several women. He sees a shrink and practices extreme discretion about his gay adventures since the book begins in the 1960s before gay liberation and ends after the advent of AIDS in the 1980s. Jack's friend Will Wright comes from old stock, has aspirations to be a writer and like Jack works

on the Northern Review a staid cultural quarterly Will is shy and lonely and Jack introduces him to the beautiful brittle young woman he will marry Over the years Will discovers his sensuality and almost destroys his marriage in doing so Towards the end of the 1970s Jack's and Will's lives merge as they both become accomplished libertines Jack Holmes and his Friend deploys Edmund White's wonderful perceptions of American society to dazzling effect as character after character is delicately and colourfully rendered and one social milieu after another glows in the reader's mind He is a connoisseur of the nuances of personality and mood and here unveils his very human cast in all their radical individuality New York itself is a principle character with its old society and its bohemians rich and poor with its sleek European immigrants and its rough and tumble transplanted Midwesterners With narrative daring and a gifted sense of the rueful submerged drama of life the novel is a beautifully sculpted exploration of sexuality and sensibility

Reporting Skin and the Wounded Body in Victorian Britain Diana Garrisi, 2024-12-05 Drawing on a wide range of primary sources this book explains what made skin newsworthy in Victorian Britain It represents a unique contribution to the media history of the human body by delving into the cultural and historical underpinnings of wound representation in Western culture Employing a case study approach the book provides a comprehensive exploration of the interplay between dermatology and the Victorian press This work suggests that there was a mutually constitutive relationship between skin reporting and the formal

evolution of news discourse during the nineteenth century Narratives related to skin such as wounds caused by corporal punishment plagues resulting from neglect in workhouses and occupational skin diseases emerged as defining features of Victorian newspapers Notably media coverage of wounded skin assumed a central rhetorical position in debates pertaining to discipline abuse poverty labour and social norms a legacy still discernible in contemporary journalism Analysing the mediation of the wounded body in Victorian Britain offers a unique insight into the foundations of modern journalism It sheds light on the impossibility of maintaining an objective framework when observing and reporting on bodies in pain

Paradoxically news writers and commentators of that era navigated this challenge by encapsulating such narratives within rhetorical constructs that provided a template for the evolution of contemporary news values **Cymbeline Ros**

King,2017-05-15 In *Cymbeline Constructions of Britain* Ros King argues that because of previous misunderstanding of the nature and history of *tragi comedy* critics have mistaken the tone of Shakespeare's play Although it is often dismissed as a pedestrian romance or at best a self-parodic reworking of previous Shakespearean themes she proposes that *Cymbeline*'s fantastical black comedy and its facility for keeping multiple plots all in the air together are in fact a tour de force of dramaturgical construction King's multi-faceted approach combines strikingly perceptive commentaries on the text's most notoriously difficult passages with descriptions of performance and analysis of the text's historical cultural and literary contexts In this wide-ranging study the play becomes a focus for considering early modern England's encounters with its Scottish king with religious struggle in Europe and with the indigenous peoples of North America King demonstrates that the play's dramaturgical structure enables it to raise daring questions about the nature of government the rights of birth and of succession and the concepts of empire supplying a curiously bitter and indeed tragic undercurrent to the final happy ending while attempting to neutralise contemporary religious conflict Having explored the influences that went into the writing of *Cymbeline* King devotes her final chapter to the play's later reception and shows how it has been made to respond to different cultural pressures over time Using as a test case the outrageously ebullient production at Shakespeare Santa Cruz 2000 for which she was dramaturg she outlines an ethic for interpretation and considers the problems to be faced in both criticism and performance when realising the text as living theatre for a modern audience **Amazing Tales Volume 10**

10 Percent, 1995 **The Postmodern Short Story** Farhat Iftekharrudin, Joseph Boyden, Mary Rohrberger, Jaie Claudet, 2003-12-30 Short stories are usually defined in terms of characteristics of modernism in which the story begins in the middle develops according to a truncated plot and ends with an epiphany This approach tends to ignore postmodernism a movement often characterized by a negation of objective reality where plots are seemingly abandoned surfaces are extraordinary and symbols turn inward on themselves This book examines postmodern forms and characteristic themes by analyzing a group of short stories that make use of postmodern narrative strategies including nonfictional fiction gender profiling and death as an image The volume begins with a discussion of the blurred lines between fiction and nonfiction in the short story and imaginative personal essay It then looks at the role of women in works by such authors as Sandra Cisneros Leslie Marmon Silko Joyce Carol Oates and Lorrie Moore This is followed by a section of chapters on postmodern masculinity and short fiction The next section focuses on death as an image and theme in works by Richard Ford Richard Brautigan and James Joyce The final set of chapters considers postmodern short fiction from South Africa and Canada

Mourning a Breast Xi Xi, 2024-07-09 By Xi Xi part of the first generation of writers raised in Hong Kong a wise and amiably written book of autobiographical fiction on the author's experience with breast cancer from diagnosis to treatment to recovery and her passage from a life lived through the mind into a life lived through the body In 1989 the acclaimed Hong Kong writer Xi Xi was diagnosed with breast cancer Her semi autobiographical novel Mourning a Breast is a disarmingly honest and inventive account of the author's experience of a mastectomy and of her subsequent recovery The book opens with her putting away a bathing suit As the routine pleasure of swimming is revoked the small loss stands in for

the greater one But Xi Xi's mourning begins to take shape as a form of activism Addressing her reader as frankly and unashamedly as an old friend she describes what she is going through finds consolation in art literature and cinema and advocates for a universal literacy of the body Mourning a Breast was heralded as one of the first Chinese language books to cast off the stigma of writing about illness and to expose the myths associated with breast cancer It is a radical novel about creating in the midst of mourning
