John Lister

Slamthology Collected Wrestling Writing 1991-2004:

Slamthology: Collected Wrestling Writings 1991-2004 John Lister, 2005-10-26 John Lister is one of Britain's most respected wrestling journalists. Mixing travelogue, humour, fiction, history, and opinion, this collection brings together the best of his work from the past fourteen years. The first section of this book features three epic accounts of voyages to see wrestling in the United States: from the ECW Arena to the Dallas Sportatorium by way of WWF pay per view and Memphis television. The second section comprises more than 40 articles, some previously unpublished, including histories of British and American wrestling, the statistics behind WCW's collapse, and a disgraceful allegation about Tommy Rich. Note: This is a revised 2nd edition with a new cover design, new page design, lower page count, and a lower retail price. However, the content of the book is unchanged from the first edition.

Wrestling Writing John A. Passaro, 2016-04-15 One of the greatest assets in my life other than my family and friends has been the sport of wrestling. It has made me into the person I am today. A person who can handle whatever adversity life throws at me. The disciplines of wrestling are impactful on a young athlete's life. At first, one wrestles to win championships. Then, after many years, one realizes it wasn't the pursuit of championships; what wrestling was all about. The sport of wrestling is about preparing one for life. I owe a great deal to this sport that is why I write about it passionately. I have written about the sport in my memoirs *6 Minutes Wrestling with Life Again* and *Your Soul Knows*, and I continue to write about it in my blog www.johnpassaroblog.com. This book is a compilation of all my writing on the sport. The book is designed to be read like each chapter is a short story separate from one another. Chapters can be read in order or randomly, that is your preference. Some stories are excerpts from my blog, while others are from my memoirs. I felt it was necessary to compile all my writing of this great sport under one cover. The chapters that are excerpts of my other books have been slightly edited to preserve the integrity of the story they come from. I hope you enjoy reading *Wrestling Writing* as much as I have enjoyed living it. John A.
