Slavery in Colonial Georgia, 1730-1775 Betty Wood, 1984

**Slavery in Colonial America** Alison Morretta, 2017-12-15 Slaves replaced indentured servants as a source of cheap labor in all of the colonies early in the seventeenth century Slavery was first legalized in Massachusetts However economics soon made slavery unnecessary in the North while increasing demand for it in the South Readers learn from those who lived it how this increased demand led to the importation of African slaves into the colonies and the expansion of an institution that would threaten to tear a new nation apart

**American Slavery, Atlantic Slavery, and Beyond** Enrico Dal Lago, 2015-12-22

American Slavery Atlantic Slavery and Beyond provides an up to date summary of past and present views of American slavery in international perspective and suggests new directions for current and future comparative scholarship It argues that we can better understand the nature and meaning of American slavery and antislavery if we place them clearly within a Euro American context Current scholarship on American slavery acknowledges the importance of the continental and Atlantic dimensions of the historical phenomenon comparing it often with slavery in the Caribbean and Latin America However since the 1980s a handful of studies has looked further and has compared American slavery with European forms of unfree and nominally free labor Building on this innovative scholarship this book treats the U S peculiar institution as part of both an Atlantic and a wider Euro American world It shows how the Euro American context is no less crucial than the Atlantic one in understanding colonial slavery and the American Revolution in an age of global enlightenment reformism and revolutionary upheavals the Cotton Kingdom s heyday in a world of systems of unfree labor and the making of radical Abolitionism and the occurrence of the American Civil War at a time when nationalist ideologies and nation building movements were widespread

**Four Steeples Over the City Streets** Kyle T. Bulthuis, 2017-04 In the fifty years after the Constitution was signed in 1787 New York City grew from a port town of 30 000 to a metropolis of over half a million residents This rapid development transformed a once tightknit community and its religious experience These effects were felt by Trinity Episcopal Church which had presented itself as a uniting influence in New York that connected all believers in social unity in the late colonial era As the city grew larger more impersonal and socially divided churches reformed around race and class based neighborhoods Trinity s original vision of uniting the community was no longer possible In *Four Steeples over the City Streets* Kyle T Bulthuis examines the histories of four famous church congregations in early Republic New York City Trinity Episcopal John Street Methodist Mother Zion African Methodist and St Philip s African Episcopal to uncover the lived experience of these historical subjects and just how religious experience and social change connected in the dynamic setting of early Republic New York Drawing on a range of primary sources *Four Steeples over the City Streets* reveals how these city churches responded to these transformations from colonial times to the mid nineteenth century Bulthuis also adds new dynamics to the stories of well known New Yorkers such as John Jay James Harper and Sojourner Truth More importantly *Four Steeples over the City Streets* connects issues of race class and gender urban studies and religious experience revealing how the city shaped these churches and how their respective religious traditions shaped the way they reacted to the city

Publisher **Encyclopedia of American Civil Rights and Liberties** Kara E. Stooksbury, John M. Scheb II, Otis H. Stephens Jr., 2017-09-21 Thoroughly updated and featuring 75 new entries this monumental four volume work illuminates past and present events associated with civil rights and civil liberties in the United States This revised and expanded four volume encyclopedia is unequalled for both the depth and breadth of its coverage Some 650 entries address the full range of civil rights and liberties in America from the Colonial Era to the present In addition to many updates of material from the first

edition the work offers 75 new entries about recent issues and events among them dozens of topics that are the subject of close scrutiny and heated debate in America today There is coverage of controversial issues such as voter ID laws the use of drones transgender issues immigration human rights and government surveillance There is also expanded coverage of women s rights gay rights gay marriage and Native American rights Entries are enhanced by 42 primary documents that have shaped modern understanding of the extent and limitations of civil liberties in the United States including landmark statutes speeches essays court decisions and founding documents of influential civil rights organizations Designed as an up to date reference for students scholars and others interested in the expansive array of topics covered the work will broaden readers understanding of and appreciation for the people and events that secured civil rights guarantees and concepts in this country At the same time it will help readers better grasp the reasoning behind and ramifications of 21st century developments like changing applications of Miranda Rights and government access to private Internet data Maintaining an impartial stance throughout the entries objectively explain the varied perspectives on these hot button issues allowing readers to draw their own conclusions

**Freedom By Force** Therese Harasymiw, 2017-12-15 When people are routinely and systematically oppressed for years it is only logical that they eventually rise up against their oppressors For African slaves in North America these rebellions were largely unsuccessful Nevertheless the anger and uprisings that came from people who wanted their freedom and were willing to fight for it are important parts of the story of the fight to end slavery Readers get a deeper understanding of crucial slave rebellions throughout history through thoroughly researched text primary sources and topical photographs

**Global Histories of Disability, 1700-2015** Esme Cleall, 2022-12-30 This book offers a global angle to Disability History by exploring global locations as disparate as the Caribbean Kenya Mauritius Natal and Poland as well as taking new approaches to Britain and the US Global Histories of Disability seeks to address issues including colonialism disability the body forced labour and indigeneity A further key issue that reoccurs throughout the volume is the specificity of place With several chapters examining the Global South such work challenges the implicit tendency to assume that the western experience of disability is a universal one The volume intends to do more than add new case studies to our knowledge about disability in the modern period it intends to use the insights gained from examining disparate global sites to think more about the global histories of disability both empirically and theoretically Issues addressed by different chapters include colonialism imperialism disability deafness the body enslavement labour and indigeneity Different chapters also use economic cultural legal and political frameworks to explore issues of disability across a range of global locations This volume is essential for students scholars and researchers alike interested in world and international history

**Educational Foundations** Brian W. Dotts, 2019 This educational foundations book offers a comprehensive overview of American education history and a variety of classical Enlightenment and contemporary educational philosophers While Educational Foundations includes a history of American education it also looks at numerous policies constitutional law cases events and

political religious and social conflicts for students to consider while learning their subject matter The text is divided into two sections the first is a look at a broad array of philosophical influences from the Western canon while the second is an exploration of the history of American education focusing on a few specific eras With strong and helpful pedagogical features and resources such as class activities suggested files chapter objectives and sidebar questions this textbook is an excellent resource for students It is useful for undergraduate and graduate courses in educational foundations

**Pan-Africanism, and the Politics of African Citizenship and Identity** Toyin Falola, Kwame Essien, 2013-10-08 There is no recent literature that underscores the transition from Pan Africanism to Diaspora discourse This book examines the gradual shift and four major transformations in the study of Pan Africanism It offers an academic post mortem that seeks to gauge the extent to which Pan Africanism overlaps with the study of the African Diaspora and reverse migrations how Diaspora studies has penetrated various disciplines while Pan Africanism is located on the periphery of the field The book argues that the gradual shift from Pan African discourses has created a new pathway for engaging Pan African ideology from academic and social perspectives Also the book raises questions about the recent political waves that have swept across North Africa and their implications to the study of twenty first century Pan African solidarity on the African continent The ways in which African institutions are attracting and mobilizing returnees and Pan Africanists with incentives as dual citizenship for diasporans to support reforms in Africa offers a new alternative approach for exploring Pan African ideology in the twenty first century Returnees are also using these incentives to gain economic and cultural advantage The book will appeal to policy makers government institutions research libraries undergraduate and graduate students and scholars from many different disciplines

**Encyclopedia of Race and Crime** Helen Taylor Greene, Shaun L. Gabbidon, 2009-04-14 The organization of the reader's guide especially the groupings of landmark cases race riots and criminology theories is impressive Other related titles lack the breadth detail and accessibility of this work Recommended for all libraries essential for comprehensive social studies collections Library Journal As seen almost daily on local and national news race historically and presently figures prominently in crime and justice reporting within the United States in the areas of hate crimes racial profiling sentencing disparities wrongful convictions felon disenfranchisement political prisoners juveniles and the death penalty and culturally specific delinquency prevention programs The Encyclopedia of Race and Crime covers issues in both historical and contemporary context with information on race and ethnicity and their impact on crime and the administration of justice These two volumes offer a greater appreciation for the similar historical experiences of varied racial and ethnic groups and illustrate how race and ethnicity has mattered and continues to matter in the administration of American criminal justice Key Features Covers a number of broad thematic areas basic concepts and theories of criminal justice the police courts and corrections juvenile justice public policy the media organizations specific groups and populations and specific cases and biographies Addresses such topics as gender hate bias crimes immigrant experiences international and cross cultural issues race and gangs and

race and law Presents experiences of all major racial and ethnic groups in the U S including Asians Blacks Latinos Native Americans and Ethnic Whites as well as religious minorities such as Muslims Includes coverage of recent incidents like the alleged rape of a black female North Carolina Central University student by white male members of the Duke University Lacrosse Team the Jena 6 incident the Tulia Texas drug arrests the Rodney King beating the O J Simpson trials in the 1990s and more recent racial profiling incidents Two appendices provide information on locating and interpreting statistical data on race and crime as well as detailed instructions on how to access statistical data on the web for such specific areas as arrests drugs gang membership hate crimes homicide trends juvenile justice prison populations racial profiling the death penalty and victimization Because the topic of race and crime is of wide interest and relevance entries in this Encyclopedia are written in an accessible style to appeal to a broad audience making it a welcome addition to academic and public libraries alike

**James Oglethorpe, Father of Georgia** Michael L. Thurmond, 2024-02-15 Founded by James Oglethorpe on February 12 1733 the Georgia colony was envisioned as a unique social welfare experiment Administered by twenty one original trustees the Georgia Plan offered England's worthy poor and persecuted Christians an opportunity to achieve financial security in the New World by exporting goods produced on small farms Most significantly Oglethorpe and his fellow Trustees were convinced that economic vitality could not be achieved through the exploitation of enslaved Black laborers Due primarily to Oglethorpe's strident advocacy Georgia was the only British American colony to prohibit chattel slavery prior to the American Revolutionary War His outspoken opposition to the transatlantic slave trade distinguished Oglethorpe from British colonial America's more celebrated founding fathers James Oglethorpe Father of Georgia uncovers how Oglethorpe's philosophical and moral evolution from slave trader to abolitionist was propelled by his intellectual relationships with two formerly enslaved Black men Oglethorpe's unique friendships with Ayuba Suleiman Diallo and Olaudah Equiano two of eighteenth century England's most influential Black men are little known examples of interracial antislavery activism that breathed life into the formal abolitionist movement Utilizing more than two decades of meticulous research fresh historical analysis and compelling storytelling Michael L Thurmond rewrites the prehistory of abolitionism and adds an important new chapter to Georgia's origin story

**American Stories** Jason Ripper, 2015-02-12 This book is ideal for any introductory American history instructor who wants to make the subject more appealing It's designed to supplement a main text and focuses on personalized history presented through engaging biographies of famous and less well known figures from the colonial period to 1877 Historical patterns and trends appear as they are seen through individual lives and the selection of the profiled individuals reflects a cultural awareness and a multicultural perspective

Abe David S. Reynolds, 2021-09-28 Now an Apple TV documentary Lincoln's Dilemma One of the Wall Street Journal's Ten Best Books of the Year A Washington Post Notable Book A Christian Science Monitor and Kirkus Reviews Best Book of 2020 Winner of the Gilder Lehrman Abraham Lincoln Prize and the Abraham Lincoln Institute Book Award A marvelous cultural biography that

captures Lincoln in all his historical fullness using popular culture in this way to fill out the context surrounding Lincoln is what makes Mr Reynolds s biography so different and so compelling Where did the sympathy and compassion expressed in Lincoln s Second Inaugural With malice toward none with charity for all come from This big wonderful book provides the richest cultural context to explain that and everything else about Lincoln Gordon Wood Wall Street Journal From one of the great historians of nineteenth century America a revelatory and enthralling new biography of Lincoln many years in the making that brings him to life within his turbulent age David S Reynolds author of the Bancroft Prize winning cultural biography of Walt Whitman and many other iconic works of nineteenth century American history understands the currents in which Abraham Lincoln swam as well as anyone alive His magisterial biography Abe is the product of full body immersion into the riotous tumult of American life in the decades before the Civil War It was a country growing up and being pulled apart at the same time with a democratic popular culture that reflected the country s contradictions Lincoln s lineage was considered auspicious by Emerson Whitman and others who prophesied that a new man from the West would emerge to balance North and South From New England Puritan stock on his father s side and Virginia Cavalier gentry on his mother s Lincoln was linked by blood to the central conflict of the age And an enduring theme of his life Reynolds shows was his genius for striking a balance between opposing forces Lacking formal schooling but with an unquenchable thirst for self improvement Lincoln had a talent for wrestling and bawdy jokes that made him popular with his peers even as his appetite for poetry and prodigious gifts for memorization set him apart from them through his childhood his years as a lawyer and his entrance into politics No one can transcend the limitations of their time and Lincoln was no exception But what emerges from Reynolds s masterful reckoning is a man who at each stage in his life managed to arrive at a broader view of things than all but his most enlightened peers As a politician he moved too slowly for some and too swiftly for many but he always pushed toward justice while keeping the whole nation in mind Abe culminates of course in the Civil War the defining test of Lincoln and his beloved country Reynolds shows us the extraordinary range of cultural knowledge Lincoln drew from as he shaped a vision of true union transforming in Martin Luther King Jr s words the jangling discords of our nation into a beautiful symphony of brotherhood Abraham Lincoln did not come out of nowhere But if he was shaped by his times he also managed at his life s fateful hour to shape them to an extent few could have foreseen Ultimately this is the great drama that astonishes us still and that Abe brings to fresh and vivid life The measure of that life will always be part of our American education

**Never Caught** Erica Armstrong Dunbar, 2017-02-07 A startling and eye opening look into America s First Family Never Caught is the powerful story about a daring woman of extraordinary grit The Philadelphia Inquirer When George Washington was elected president he reluctantly left behind his beloved Mount Vernon to serve in Philadelphia the temporary seat of the nation s capital In setting up his household he brought along nine slaves including Ona Judge As the President grew accustomed to Northern ways there was one change he couldn t abide Pennsylvania law required enslaved people be set free

after six months of residency in the state Rather than comply Washington decided to circumvent the law Every six months he sent the slaves back down south just as the clock was about to expire Though Ona Judge lived a life of relative comfort she was denied freedom So when the opportunity presented itself one clear and pleasant spring day in Philadelphia Judge left everything she knew to escape to New England Yet freedom would not come without its costs At just twenty two years old Ona became the subject of an intense manhunt led by George Washington who used his political and personal contacts to recapture his property A crisp and compulsively readable feat of research and storytelling USA TODAY historian and National Book Award finalist Erica Armstrong Dunbar weaves a powerful tale and offers fascinating new scholarship on how one young woman risked everything to gain freedom from the famous founding father and most powerful man in the United States at the time

**Reflections on Faith and 17Th Century European-American Colonists** Carlos R. Hamilton Jr.,2023-03-24 American colonial history is told through the stories of four young people who left Europe and its Age of Enlightenment to start new lives in an uncertain new world in this scholarly work Carlos R Hamilton Jr aims to determine what experiences they and thousands of other immigrants had and the role those experiences played in influencing the future United States of America including its government and culture One of the primary reasons these immigrants settled in a new place thousands of miles from home was the prospect of being able to enjoy religious freedom Other drivers included a desire to enjoy more economic opportunity and achieve security for one s self and their family While this study is limited to Anglo European immigration the historical background of homelands of African Latino and Asian immigrants are as important in understanding the circumstances of their many contributions to the subsequent culture of the United States of America The author suggests that the same reasons people immigrated to what would become the United States hundreds of years ago remain primary reasons increasing numbers of immigrants are seeking residence in America today

**James Solomon Russell** Worth Earlwood Norman, Jr.,2014-01-10 Born into slavery on a Virginia plantation in 1857 James Solomon Russell 1857 1935 rose to become one of the most prominent African American pastors in the post Civil War South As a minister educator and founder of Saint Paul s College in Lawrenceville Virginia he played a major role in the development of educational access for former slaves in the South and within the Episcopal Church from the end of Radical Reconstruction to the early 20th century Indeed Russell stood as a linchpin binding not only the poles of ecclesiastical racial obstacles but the social maturity of blacks and whites within his church and in the greater society This comprehensive biography explores Solomon s life within the broader context of colonial and Virginia history and chronicles his struggles against the social political and religious structures of his day to secure a better future for all people

**2005** Massimo Mastrogregori,2009-12-22 Annually published since 1930 the International Bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The IBOHS is thus currently the only continuous

bibliography of its kind covering such a broad period of time spectrum of subjects and geographical range The works are arranged systematically according to period region or historical discipline and alphabetically according to authors names or in the case of anonymous works by the characteristic main title word The bibliography contains a geographical index and indexes of persons and authors
