Slaying Of The Shrew:

The Slaying of the Shrew Simon Hawke,2002-12-15 Will Shakespeare Symington Tuck Smythe and their band of thespian associates are contracted to provide entertainment at a rural estate as part of a large wedding pageant When the headstrong bride turns up dead and overheard conversations contain conspiratorial plots against the families involved Will and Tuck must once again pull double duty as thespians and sleuths to solve the case of The Slaying of the Shrew **The Oxford Handbook of Shakespearean Comedy** Heather Hirschfeld,2018-09-06 The Oxford Handbook of Shakespearean Comedy offers critical and contemporary resources for studying Shakespeare s comic enterprises It engages with perennial yet still urgent questions raised by the comedies and looks at them from a range of new perspectives that represent the most recent methodological approaches to Shakespeare genre and early modern drama Several chapters take up firmly established topics of inquiry such Shakespeare s source materials gender and sexuality hetero and homoerotic desire race and religion and they reformulate these topics in the materialist formalist phenomenological or revisionist terms of current scholarship and critical debate Others explore subjects that have only relatively recently become pressing concerns for sustained scholarly interrogation such as ecology cross species interaction and humoral theory Some contributions informed by increasingly sophisticated approaches to the material conditions and embodied experience of theatrical practice speak to a resurgence of interest in performance from Shakespeare s period through the first decades of the twenty first century Others still investigate distinct sets of plays from unexpected and often polemical angles noting connections between the comedies under inventive unpredicted banners such as the theology of adultery early modern pedagogy global exploration or monarchical rule The Handbook situates these approaches against the long history of criticism and provides a valuable overview of the most up to date work in the field **Shakespeare and the Shrew** A. Kamaralli,2012-11-16 An investigation of the many ways that Shakespeare uses the defiant voice of the shrew Kamaralli explores how modern performance practice negotiates the possibilities for staging these characters who refuse to conform to standards of acceptable behaviour for women but are among Shakespeare s bravest wisest and most vivid creations *The Gates of Dawn* Robert Newcomb,2003-07-01 Epic fantasy found an exhilarating new voice in Robert Newcomb whose monumental debut novel The Fifth Sorceress was hailed by readers and critics alike And now for all those spellbound by the tale of Prince Tristan heir to the throne of Eutracia his twin sister Princess Shailiha the ancient wizard Wigg and the fate of their enchanted land there is indeed more much more to be told For three centuries Eutracia was a kingdom at peace ruled by a benevolent monarchy and guided by a council of wizards But a horror from the past long believed vanquished returned with devastating fury And when the battle against the bloodthirsty Sorceresses of the Coven was finally won victory was not without its price Now the royal palace lies in ruins the king and queen the royal guard and the Directorate of Wizards are dead the land is lawless and Prince Tristan forced by the Coven to murder his father the King is a wanted man In a cavernous underground labyrinth once

headquarters of the wizards council Tristan has taken refuge with his sister Shailiha her infant daughter the wizard Wigg the lone surviving member of the Directorate and the crippled wizard Faegan returned from self imposed exile in the forest of Shadowood Together they face the daunting task of restoring order to Eutracia and winning back the allegiance of her subjects But suddenly even these challenges pale beside a truly terrifying turn of events The sacred jewel that is the source of all magic has inexplicably begun to lose its power Without its age old enchantment to sustain their spells the immortal wizards will perish and magic will vanish from Eutracia forever At the same time a mysterious and ruthless mercenary has declared a bounty upon the head of Prince Tristan And an army of wizards on a mission to rid Eutracia of monsters created by the Coven has fallen prey to an insidious breed of creatures beings that can only have sprung from forbidden use of malevolent magic With time and their powers dwindling Wigg and Faegan desperately seek to discover who or what has succeeded the dead Sorceresses in laying siege to Eutracia But when the shocking truth is revealed and an evil that transcends life itself is made known it is Tristan more than any other who will be stunned to his very soul And it is Tristan who will be thrust into the ultimate battle for his life his land and the course of his destiny *Salamandastron* Brian Jacques,2003-09-15 Urthstripe the Strong a wise old badger leads the animals of the great fortress of Salamandastron and Redwall Abbey against the weasel Ferahgo the Assassin and his corps of vermin **The Illustrated Natural History** John George Wood,1861 Marlfox Brian Jacques,2005-01-13 Marlfoxes are a prowl in Mossflower Woods The evil offspring of the wicked Queen Silth they can disappear at will and are out to plunder and destroy Once they reach Redwall Abbey they make off with one of the Abbey's most cherished treasures the tapestry of Martin the Warrior that hangs in Great Hall Who will rise to the Marlfoxes's challenge It is young Dippler a Guosim shrew and Burble a brave watervole who set off on the quest to recover the stolen tapestry Meanwhile the Marlfoxes continue to lurk in the surrounding woods threatening the abbeydwellers with their ever menacing presence In this newest installment of Brian Jacques's best selling Redwall saga youth takes center stage as the offspring of four warriors band together to save Redwall A surefire hit for this highly acclaimed series **The Illustrated Natural History** Wood,1865 **wood's animal kingdom** rev. j. g. wood,1870 **A New English Dictionary on Historical Principles** Bradley,James Augustus Henry Murray,Murray,1914 **The Mammals of Illinois and Wisconsin** Charles Barney Cory,1912 **The Nation and Athenæum** ,1924 **Transactions of the Linnæan society of New York** Anonymous,2025-07-13 Reprint of the original first published in 1882 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Vertebrates of the Adirondack Region, Northeastern New York** Clinton Hart Merriam,1882 *Transactions of the Linnaean Society of New York: The vertebrates of the Adirondack region, northeastern New York.
