Sleepers Of Roraima A Carib Trilogy:

The Sleepers of Roraima Wilson Harris, Mark McWatt, 2014 *The sleepers of Roraima* Wilson Harris, 1970 **The sleepers of Roraima: a Carib trilogy: with drawings by Karen Ushorne** Wilson Harris, *The Routledge Companion to Anglophone Caribbean Literature* Michael A. Bucknor, Alison Donnell, 2011-06-14

The Routledge Companion to Anglophone Caribbean Literature offers a comprehensive critically engaging overview of this increasingly significant body of work. The volume is divided into six sections that consider the foremost figures of the Anglophone Caribbean literary tradition and a history of literary critical debate, textual turning points, identifying key moments in both literary and critical history, and bringing lesser known works into context, fresh perspectives on enduring and contentious critical issues including the canon, nation, race, gender, popular culture, and migration, new directions for literary criticism and theory such as eco criticism, psychoanalysis, and queer studies, the material dissemination of Anglophone Caribbean literature, and generic interfaces with film and visual art. This volume is an essential text that brings together sixty nine entries from scholars across three generations of Caribbean literary studies, ranging from foundational critical voices to emergent scholars in the field. The volume's reach of subject and clarity of writing provide an excellent resource and springboard to further research for those working in literature and cultural studies, postcolonial and diaspora studies, as well as Caribbean studies, history, and geography.

The Labyrinth of Universality Hena Maes-Jelinek, 2006. The complete sixth series of the BBC comedy sketch show hosted by Ronnie Barker and Ronnie Corbett, which in its heyday was as much of a British institution as roast beef and Yorkshire pudding. Each programme begins and ends with the pair seated behind a desk reading quick fire news reports. In between, in a packed programme, tonight there are sketches, drama, serials, musical routines, and a rambling monologue from Ronnie Corbett. Before the pair finally sign off with their famous catchphrase, 'It's goodnight from me. And it's goodnight from him. Goodnight.'

A History of Literature in the Caribbean: English- and Dutch-speaking countries Albert James Arnold, Julio Rodríguez-Luis, J. Michael Dash, 2001-01-01. For the first time, the Dutch speaking regions of the Caribbean and Suriname are brought into fruitful dialogue with another major American literature, that of the Anglophone Caribbean. The results are as stimulating as they are unexpected. The editors have coordinated the work of a distinguished international team of specialists. Read separately or as a set of three volumes, the History of Literature in the Caribbean is designed to serve as the primary reference book in this area. The reader can follow the comparative evolution of a literary genre or plot the development of a set of historical problems under the appropriate heading for the English or Dutch speaking region. An extensive index to names and dates of authors and significant historical figures completes the volume. The subeditors bring to their respective specialty areas a wealth of Caribbeanist experience.
