Sleeping Fires:

Sleeping Fires Gertrude Atherton, 2016-05-01 What starts out as a much anticipated wedding among members of the high society set in 1870s San Francisco eventually devolves into a tragic story of a doomed love triangle in Gertrude Atherton's deeply moving historical romance novel *Sleeping Fires* *Sleeping Fires; a Novel* Gertrude Franklin Horn

Sleeping Through The Fire It is the same when people experience spiritual death because of the metaphorical fires that blind them to the things that can either save or destroy them Allen Strother's book addresses the issues that many of us deal with on a regular basis or that frequently come up in conversation Though it is nothing new the topics are presented in a way that move us out of our comfort zone and challenge us by provoking thought regarding where we stand in the social spiritual and economic climate we live in Every chapter in *Sleeping through the Fire* touches on loving our neighbor as ourselves and making God our first love This is not a how to book or an instructional book on Christianity but a book that stresses where our mind set should be which aids us in governing how we think and ultimately what we do *Correct English*, 1921
