

Sleeping In The Forest

I thought the earth remembered me,
she took me back so tenderly,
arranging her dark skirts, her pockets
full of lichens and seeds.

I slept as never before, a stone on the river bed,
nothing between me and the white fire of the stars
but my thoughts, and they floated light as moths
among the branches of the perfect trees.

All night I heard the small kingdoms

breathing around me, the insects,
and the birds who do their work in the darkness.

All night I rose and fell, as if in water,
grappling with a luminous doom. By morning
I had vanished at least a dozen times
into something better.

Turkish Nomad Jayne L. Warner,2017-11-13 Here Jayne L

Warner has created a unique biographical tapestry that illuminates not only the life of one of Turkey's leading literary and cultural authorities but also the emergence of a republic in his native country and sheds new light on the history of one of the world's great cities. Sumptuously illustrated throughout with evocative period pictures of Istanbul, Turkish Nomad tells the extraordinary life story of this poet, thinker, and diplomat. As a young boy, Halman surveyed the last vestiges of the Ottoman Empire, walked through the ruins of Byzantium, and grew up in the modern nation created by the charismatic Mustafa Kemal Atatürk. Talat S. Halman would go on to serve the republic as its first minister of culture. The more than four decades Halman lived primarily in the United States are not overlooked but are used to discuss how his ideas developed as he taught at leading universities, Princeton, Columbia, New York University, and introduced Americans to Turkish literature and culture through his translations and public lectures. We In the Turkish Nomad we follow the literary, scholastic, and journalistic journey of a restless writer who might best be described by the title of one of his books, The Turkish Muse, his 2006 collection of literary reviews tracing the development of Turkish literature during the Turkish Republic.

Abundance from the Desert
Raymond Farrin, 2011-03-29 Abundance from the Desert provides a comprehensive introduction to classical Arabic poetry, one of the richest of poetic traditions. Covering the period roughly of 500-1250 C.E., it features original translations and illuminating discussions of a number of major classical Arabic poems from a variety of genres. The poems are presented chronologically, each situated within a specific historical and literary context. Together, the selected poems suggest the range and depth of classical Arabic poetic expression; read in sequence, they suggest the gradual evolution of a tradition. Moving beyond a mere chronicle, Farrin outlines a new approach to appreciating classical Arabic poetry based on an awareness of concentric symmetry in which the poem's unity is viewed not as a linear progression but as an elaborate symmetrical plot. In doing so, the author presents these works in a broader comparative light, revealing connections with other literatures. The reader is invited to examine these classical Arabic works not as isolated phenomena, notwithstanding their uniqueness and their association with a discrete tradition, but rather as part of a great multicultural heritage. This pioneering book marks an important step forward in the study of Arabic poetry. At the same time, it opens the door to this rich tradition for the general reader.

Distant Train Ibrahim Abdel Meguid, 2007-04-26 While the fading autumn sun sped toward the horizon, the young boys headed home; they were not used to trying to see at night without the moon's glow. So begins this unconventional, hauntingly mythic novel. In the tradition of magical realism, author Abdel Meguid crafts a tale steeped in symbolism. Writing in a shimmering lyrical style, he brings alive the dreams, customs, and everyday concerns of people living in historic obscurity on the fringe of the glitzy petrodollar kingdoms of the Middle East. The tale begins on a worksite in Egypt's western desert. Here, in the middle of nowhere, railway men and locals wait in hope for the annual return of a distant train. When last it came, this vehicle brought with it foreigners, soldiers, and economic opportunity; then it stopped. Each of Meguid's characters is allegorical in nature. Each part of the novel is framed by memory, and the way remembrance takes shape and affects the

characters The story's main characters are time and place Yet its dramatic thrust is the ways in which place gives rise to history through the passage of time and the rise and fall of settlement Distant Train reaffirms Meguid's status as a new imaginative and distinct voice in the field of narrative literature and the time honored arena of storytelling
