The Omega Spark, **The Improbable Human Boomerang** Andrew Venn, 2017-11-15 I'm back Like a human boomerang I returned to this earth after an improbable survival from a brain haemorrhage and after the resultant enlightening and intriguing coma but my prognosis looked about as cheerful as the landscape on the planet Jupiter and at 24 years of age my sudden disabilities were about as welcoming as a slap in the face from a urine soaked slipper Life for me was paused like interrupted vows at a wedding but the scenes that I would powerfully experience whilst I lay in a coma would convincingly favour a belief in reincarnation and suggest a constant recycling of our souls I have tried to continue from where I left off by marrying my Fiance Laura who stayed by my side and then a year later becoming a proud Father to a baby boy who was unfortunately born prematurely but thankfully he survived and his development has provided scenes of both upset but mostly laughter This book is like a humorous diary of those events during the Wedding with some only some of our honeymoon experiences but all laughter is temporarily but appropriately paused during some upsetting experiences in hospital because of our sons illnesses but his progression sometimes very comical recalled some of my youthful and calamitous experiences Were all conscious about the need to recycle well it is my belief that have been established from my experiences whilst I was in a coma that our souls have been recycled since the Creation formation of the earth and death is not the final ending of your existence but the mere closure of a chapter in this lifetime Freeman's: California John

like you I am beautiful like me If I have to think back to my school days I always think of myself as the queen of the bitches I was a snob deluxe and looked down on other people But I always say but God While I never knew Him during my early years He NEVER left me This is my story how I saw things through my brokenness The purpose of this book is for people to see that our Father can use any ordinary person and that although your life feels normal it is full of His Goodness and Grace My story is how He prepared me for my purpose for which He created me Each of us has a unique purpose so each of us has a unique story As you read my life story look at your own life and see the Goodness and Love of our Father in it You will also be able to see why He created you and how He is preparing you for your purpose For this time this place these people His Hand is in everything before He created everything He had me in mind for my unique purpose as well as for you think about that In my opinion people can sometimes be so super spiritual that they forget to live I know because I was also there Your life is the platform that the Lord uses to prepare you for your purpose it is part of your destiny Life is like a patchwork blanket Some of the pieces are colorful other paper thin and torn some dull and others beautiful with embroidery Wonderfully made and beautiful At first I just wanted to tell you the ugly but as I've been thinking about my life lately I've realized that it would be unfair to do so so I decided to tell the good the bad and the ugly And the funny The Lord also gave us a sense of humor and I Luv it There are many good times I think the Lord sometimes giggles when He thinks of my past Hope that you'll enjoy my journey enjoy *The Order of Chaos* Jennifer Jenkins, When Ana fails at her duties as a tree guardian she opens the door for dark magic to take hold of the Mother Tree the source of all magic in the region An evil force moves throughout the

Lingering Sea and no witch is safe Ana must turn to Carlo the grandson of her best friend and missing key to saving the tree and righting her wrongs Unfortunately Carlo's sanity sits on a razor's edge and may lead to the salvation or destruction of all magic The solution sits firmly between order and chaos **All Things End (Northern Witch #6)** K.S.
