Primed only through his dreams, Nate is guided to Sublin by Ophellia, daughter of Lord Kustos and Lady Jasmine. To reach their final destination and deliver Volnar to the Tukarak, they must first defeat Cedar of the Netha World. The bridge between all realities was created within the Vootan Empire, where few venture and even less return. Ultimately, however, it is his destiny that forces him to take the path laid out before him to stop Cedar, returning Volnar to his former glory and re-igniting the definitive downfall of all of existence.

Out of Ashes Konrad H. Jarausch, 2016-08-30. A sweeping history of twentieth-century Europe that examines its unprecedented destruction and abiding promise. A sweeping history of twentieth-century Europe. *Out of Ashes* tells the story of an era of unparalleled violence and barbarity yet also of humanity, prosperity, and promise. Konrad Jarausch describes how the European nations emerged from the nineteenth century with high hopes for continued material progress and proud of their imperial command over the globe, only to become embroiled in the bloodshed of World War I, which brought an end to their optimism and gave rise to competing democratic, communist, and fascist ideologies. He shows how the 1920s witnessed renewed hope and a flourishing of modernist art and literature, but how the decade ended in economic collapse and gave rise to a second, more devastating world war and genocide on an unprecedented scale. Jarausch further explores how Western Europe surprisingly recovered due to American help and political integration. Finally, he examines how the Cold War pushed the divided continent to the brink of nuclear annihilation and how the unforeseen triumph of liberal capitalism came to be threatened by Islamic fundamentalism, global economic crisis, and an uncertain future. A gripping narrative, *Out of Ashes* explores the paradox of the European encounter with modernity in the twentieth century, shedding new light on why it led to cataclysm, inhumanity, and self-destruction, but also social justice, democracy, and peace.
