**Sleepy Stories** Mario Levrero, 2021-07-06 A buoyant account of the nightly tug of war between a sleepy father and his son and the richly imaginative sleepy stories they create Each story told in Sleepy Stories drifts deeper into a beguiling dream world telling of an elastic gentleman who stretches his body across town to effortlessly slip into bed or of another sleepy young man who curls inside an upside down umbrella to take a snooze In Diego Bianki's magical universe the waking world is made small a French press and a red top hat shrink before our eyes while the dream world Levrero and his son Nicol's build together a land of sly frogs giant apes and smiling squids waltzes across the page On the last of Bianki's whimsical illustrations Nicol's holds the book over his father's nodding head and says Another This is a book to giggle with and curl up with to take on every sleepy adventure *Make Me Whole (An M/M Romance)* S.E. Loveless, I took him in I helped to heal him But it was he who made me whole Dan and I were friends from work I never thought anything romantic could blossom between us We went to the movies as friends never as dates We went hiking together as friends never as a couple I knew I was missing something in my life I just didn't know what Or who Until one fateful hike Dan slipped and broke his leg I did the best I could administered what first aid I could and together we made it to the hospital But he was going to be immobile for a while and he needed someone to take care of him I volunteered I wanted to help my good friend heal I took him into my home And suddenly my life felt so much more complete as though until now I was not whole just one part But I don't know how Dan feels All I know is that I'll take care of him I'll help him heal I never expected that it would be him who made me feel whole I never expected that in his own way he would heal me *A Little Peace of Mind* Nicola Bird, 2019-05-07 Do you feel like anxiety is making your life smaller Are you always worried about the next panic attack Or are you so stressed that you can't remember when you last felt peaceful and happy What if there was a simple solution that meant you could stop coping and start living For more than 20 years Nicola Bird experienced anxiety and panic attacks sometimes so severely she couldn't leave the house She tried everything including medication psychiatric counselling yoga and NLP Then she stumbled upon a completely different way of understanding the human mind that changed her relationship with anxiety forever In *A Little Peace of Mind* Nicola opens up about her own experiences and shares simple ideas to help you realise your own innate mental health and wellbeing At the heart of this understanding you'll discover the peace of mind that has been eluding you all this time *Blackwood's Edinburgh Magazine*, 1878 *Acting Up and Getting Down* Sandra Mayo, Elvin Holt, 2014-04-15 One of the few books of its kind *Acting Up and Getting Down* brings together seven African American literary voices that all have a connection to the Lone Star state Covering Texas themes and universal ones this collection showcases often overlooked literary talents to bring to life inspiring facets of black theatre history Capturing the intensity of racial violence in Texas from the Battle of San Jacinto to a World War I era riot at a Houston training ground Celeste Bedford Walker's *Camp Logan* and Ted Shine's *Ancestors* provide fascinating narratives through the lens of history Thomas Meloncon

**Adventure** ,1911 *Conversations with my Son* TerryAnn Fisher and Troy Michaels,2010-07-13 A READER REVIEW AWESOME That is the only way I can describe your book but I have to explain It was hard to put down I did not cry all the way through either There were times the tears welled up but I did not need the box of Kleenex I did not find it depressing either You were so very lucky to have that precious time I do not get books often that hold me like this one It was very well written I hope that is a compliment since I'm not a critic Even though I knew what the end was going to be the suspense was still there I can't explain it but it was like the book had a hold on me I could visualize the house even though I have never been there including the cow in the yard I could even visualize your husband leaving for work and just being there Troy's image changed as he got sicker I wish I would have known Troy It would have been an honor To care for a terminally ill person is a commitment and one you never forget But it does make you reflect on the good times shared I can go on and on but to sum it up It is a GREAT book I think everyone should read it *The Silent Places* Skyla Dawn Cameron,2025-06-14 It's been nearly a year since Imogen Sharp's husband Nick went missing and a year of everyone in the Yukon village of Red Fox Lake whispering that she killed him With interest in the case rising again as the anniversary of his disappearance approaches a journalist comes to town and sparks new rumours Did Nick take his own life without leaving a note Did he leave of his own volition Or did his would be widow have something to do with it as everyone believes When the story reaches national news and Imogen's photo is plastered everywhere something darker than local rumours comes to her door Because five years ago Imogen Sharp didn't exist and now even the most remote place in Canada can no longer be her refuge *The Syntax of Old Norse* Jan Terje Faarlund,2004-09-30 This is the first account of Old Norse syntax for almost a hundred years and the first ever in a non Scandinavian language The language of the Vikings and of the Old Icelandic sagas is the best documented medieval Germanic language the author presents a full analysis of its syntax and overviews of its phonology and morphology He includes a complete bibliography of Old Norse syntax *The Diachronic Typology of Non-Canonical Subjects* Ilja A.

Serzant, Leonid Kulikov, 2013-11-15 This volume is an important contribution to the diachrony of non canonical subjects in a typological perspective The questions addressed concern the internal mechanisms and triggers for various changes that non canonical subjects undergo ranging from semantic motivations to purely structural explanations The discussion encompasses the whole life cycle of non canonical subjects from their emergence out of non subject arguments to their expansion demise or canonicization focusing primarily on syntactic changes and changes in case marking The volume offers a number of different case studies comprising such languages as Italian Spanish Old Norse and Russian as well as languages less studied in this context such as Latin Classical Armenian Baltic languages and some East Caucasian languages Typological generalizations in the form of recurrent developmental paths are offered on the basis of data presented in this volume and in the literature Pieces People Ask For, Serious, Humorous, Pathetic, Patriotic, and Dramatic Selections in Prose and Poetry, for Readings and Recitations George Melville Baker, 1908
