Amanda Quick

Slightly Shady:

Slightly Shady Amanda Quick, 2007-12-18 Amanda Quick's bestselling trademark is a combination of suspense and passion in historical tales alight with sparkling wit and brimming with dangerous intrigue Now she serves up the most tantalizing novel of her career as an enterprising woman allies herself with a mysterious spy only to be caught in a seething brew of treachery and temptation From the moment he burst into her antiquities shop in Rome Lavinia Lake knew the stranger was nothing but trouble He said he was in pursuit of a killer He swore he was only trying to save her Yet no matter what he claimed Lavinia was convinced that Mr Tobias March was bent instead on destroying her And when the self-described spy hustled her and her niece out of the shop and back to England Lavinia could only hope that one day she would find a way to repay Mr March in full But Lavinia never imagined the shocking circumstances under which they would meet again or that soon he would become more deadly and more compelling with each passing day In the business of making private inquiries Tobias March had been hired to trade down a powerful villain who even now was intent on assuming control of a vast criminal organization Yet in his search he had found nothing but one dead end and one dead body after another And then just as his investigation was heating up once more he found his mission and his life complicated by the most ungovernable unpredictable exasperating woman he had ever met Faced with a tangled web of deceit and danger Tobias had no choice but to form a partnership with Lavinia a lady whose past could only be described as slightly shady Yet when he persuaded her to become his associate neither Tobias nor Lavinia realized that their heated disputes would spark a sizzling desire or that the deeper they kept digging for the truth the deeper they were digging their own graves Sequels Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series Identification and Control of Common Weeds: Volume 3 Zhenghao Xu, Le Chang, 2017-11-10 This book introduces readers to nearly 600 common weeds In addition to essential information each chapter includes photos for a specific type of weed to show its morphology in different growth periods such as seedling root flower fruit and mature plant The book also discusses control measures including agricultural chemical physical biological and comprehensive methods The Volume 3 mainly focuses on 252 Species of Dicotyledonous and Monocotyledonous Weeds along with 2 Species of Liverworts and Mosses With the development of society and economics weeds have become a recurring problem In particular the exotic invasive and quarantine weeds have spread dramatically and rapidly On the other hand many people even those who are engaged in weed control do not or cannot distinguish between weeds Thus there is significant demand for illustrations of weed morphologies as well as information on their control measures This book offers a valuable practical guide for all those working in the fields of crop cultivation plant protection and quarantine management The Encyclopædia of Gardening Thomas William Sanders, 1896 Service and Regulatory Announcements United States. Bureau of Agricultural Economics, 1926 *Animal Science* N. T. M. Yeates, T. N. Edey, M. K.

Hill,2013-10-22 Animal Science Reproduction Climate Meat Wool is a 20 chapter book that begins with the concept of animal reproduction including reproductive hormones breeding fertility and fecundity The next set of chapters elucidates the influence of climate on the animals Subsequent chapters explore specific topics on meat and wool in particular the beef carcass meat quality mutton lamb composition and properties of wool definition and measurement of wool quality and quantitative aspect of wool growth This book will be valuable for advanced students as well as for advanced producers
