Elizabeth Jane Howard Artemis Cooper,2016-09-22 Elizabeth Jane Howard 1923 2014 wrote brilliant novels about what love can do to people but in her own life the lasting relationship she sought so ardently always eluded her She grew up yearning to be an actress but when that ambition was thwarted by marriage and the war she turned to fiction Her first novel The Beautiful Visit won the John Llewellyn Rhys prize she went on to write fourteen more of which the best loved were the five volumes of The Cazalet Chronicle Following her divorce from her first husband the celebrated naturalist Peter Scott Jane embarked on a string of high profile affairs with Cecil Day Lewis Arthur Koestler and Laurie Lee which turned her into a literary femme fatale Yet the image of a sophisticated woman hid a romantic innocence which clouded her emotional judgement She was nearing the end of a disastrous second marriage when she met Kingsley Amis and for a few years they were a brilliant and glamorous couple until that marriage too disintegrated She settled in Suffolk where she wrote and entertained friends but her turbulent love life was not over yet In her early seventies Jane fell for a conman His unmasking was the final disillusion and inspired one of her most powerful novels Falling Artemis Cooper interviewed Jane several times in Suffolk She also talked extensively to her family friends and contemporaries and had access to all her papers Her biography explores a woman trying to make sense of her life through her writing as well as illuminating the literary world in which she lived

Birds in the Second World War Nicholas Milton,2022-04-06 A love of birds has always been an important part of the British way of life but in wartime birds came into their own helping to define our national identity One the most popular bird books ever Watching Birds was published in 1940 while songs like There ll be Bluebirds over the White Cliffs of Dover epitomized the blitz spirit Birds even featured in wartime propaganda movies like the 1941 classic The First of the Few starring Leslie Howard where they inspired the design of the Spitfire Along the coast flooding to prevent a German invasion helped the avocet make a remarkable return while the black redstart found an unlikely home in our bombed out buildings As interesting as the birds were some of the people who watched them Matthew Rankin and Eric Duffey counted seabirds while looking for U boats Tom Harrisson the mastermind behind Mass Observation watched people as if they were birds while POW Guy Madoc wrote a truly unique book on Malayan birds typed on paper stolen from the Japanese commandant s office For Field Marshall Alan Brooke Britain s top soldier filming birds was his way of coping with the

Orlando Patterson,2019-11-12 The preeminent sociologist and National Book Award winning author of *Freedom in the Making of Western Culture* grapples with the paradox of his homeland its remarkable achievements amid continuing struggles since

independence There are few places more puzzling than Jamaica Jamaicans claim their home has more churches per square mile than any other country yet it is one of the most murderous nations in the world Its reggae superstars and celebrity sprinters outshine musicians and athletes in countries hundreds of times its size Jamaica s economy is anemic and too many of its people impoverished yet they are according to international surveys some of the happiest on earth In *The Confounding Island* Orlando Patterson returns to the place of his birth to reckon with its history and culture Patterson investigates the failures of Jamaica s postcolonial democracy exploring why the country has been unable to achieve broad economic growth and why its free elections and stable government have been unable to address violence and poverty He takes us inside the island s passion for cricket and the unparalleled international success of its local musical traditions He offers a fresh answer to a question that has bedeviled sports fans Why are Jamaican runners so fast Jamaica s successes and struggles expose something fundamental about the world we live in If we look closely at the Jamaican example we see the central dilemmas of globalization economic development poverty reduction and postcolonial politics thrown into stark relief
