

Spes Scotorum
HOPE OF SCOTS

SAINT COLUMBA
IONA AND SCOTLAND

EDITED BY
Dauvit Broun and Thomas Owen Clancy

Spes Scotorum Hope Of Scots

Tim Clarkson

Spes Scotorum Hope Of Scots:

Spes Scotorum Dauvit Broun, Thomas Owen Clancy, 1999 Leading scholars in the field appraise St Columba and the legacy of the man and his monasteries in Scotland and throughout the world There is a great deal of new research in chapters for example on the cult of saints in Scotland the origins of Scottish identity Columba s biographer Adomnán and Columba on Iona Scholarly but highly readable this book is accessible to anyone interested in Columba Celtic Christianity and Scottish history in general *From Caledonia to Pictland* James E. Fraser, 2009-01-19 Shortlisted for the 2009 Saltire Society History Book of the Year *From Caledonia to Pictland* examines the transformation of Iron Age northern Britain into a land of Christian kingdoms long before Scotland came into existence Perched at the edge of the western Roman Empire northern Britain was not unaffected by the experience and became swept up in the great tide of processes which gave rise to the early medieval West Like other places the country experienced social and ethnic metamorphoses Christianisation and colonization by dislocated outsiders but northern Britain also has its own unique story to tell in the first eight centuries AD This book is the first detailed political history to treat these centuries as a single period with due regard for Scotland s position in the bigger story of late Antique transition *From Caledonia to Pictland* charts the complex and shadowy processes which saw the familiar Picts Northumbrians North Britons and Gaels of early Scottish history become established in the country the achievements of their foremost political figures and their ongoing links with the world around them It is a story that has become much revised through changing trends in scholarly approaches to the challenging evidence and that transformation too is explained for the benefit of students and general readers ***Kingship of the Scots, 842-1292*** A A M Duncan, 2016-08-30 First published in 2002 and here introduced by Dauvit Broun as a core text in Scottish medieval history this classic work is considered one of the most invaluable critiques of kingship in Scotland during the nation s foundations In the early years of the period a custom of succession within one royal lineage allowed the Gaelic kingdom to grow in authority and extent The Norman Conquest of England altered the balance of power between the north and south and the relationship between the two kingdoms which had never been easy became unstable When Scotland became kingless in 1286 Edward I exploited the succession debate between Balliol and Bruce and set claim to overlordship of Scotland until Bruce s coronation fixed the right of succession by law for Scottish kingship In a meticulous account of this period Professor Duncan disentangles the power struggles during the Great Cause between the Balliols and the Bruces and of the actions motives and decisive interventions of Edward I *The Kingship of the Scots* is historical scholarship at its best thoughtful challenging incisive and readable *The Oxford Companion to Scottish History* Michael Lynch, 2007 Searchable online reference covers more than 20 centuries of history and interpret history broadly covering areas such as archaeology climate culture languages immigration migration and emigration Multi authored entries analyze key themes such as national identity women and society living standards and religious belief across the centuries in an authoritative yet approachable way The A Z entries are

complemented by maps genealogies a glossary a chronology and an extensive guide to further reading From title screen

Columba Tim Clarkson,2012-09-28 St Columba is one of the most important figures in the early history of the British Isles A native of Donegal and a nobleman of royal ancestry his outstanding religious career spanned both sides of the Irish Sea On the Scottish island of Iona he founded his principal monastery where he served as abbot until his death in AD 597 Iona eventually became the centre of a powerful federation of monasteries that preserved a memory of Columba and nurtured the saintly cult that grew around him Drawing on contemporary sources particularly the writings of Adomnán abbot of Iona from 679 to 704 and the latest modern research this book traces Columba's achievements and legacy It examines his roles as abbot scholar and missionary as well as his involvement in the affairs of kings in both Ireland and northern Britain **St**

Andrews Raymond Lamont-Brown,2022-08-04 St Andrews is without doubt one of Scotland's most historic and beautiful cities Once the ecclesiastical capital of Scotland it played a prominent role in the nation's political life until the seventeenth century In addition it is also home of the nation's oldest university and whilst claims that it is the birthplace of golf may remain controversial there is no doubt it is regarded as world capital of the game today This fascinating and comprehensive account of St Andrews traces its history from Pictish times to the present day It is based not only on a huge amount of original research but also on an intimate knowledge of the town which Raymond Lamont Brown accumulated in over twenty years residence there In addition to facts and figures the book also introduces many of the people who have featured prominently in the story of St Andrews from doughty residents such as Sir Hugh Lyon Playfair and Cardinal Archbishop David Beaton to illustrious visitors like Mary Queen of Scots John Knox and Samuel Johnson **Scotland's Books** Robert

Crawford,2009-01-30 From Treasure Island to Trainspotting Scotland's rich literary tradition has influenced writing across centuries and cultures far beyond its borders Here for the first time is a single volume presenting the glories of fifteen centuries of Scottish literature In Scotland's Books the much loved poet Robert Crawford tells the story of Scottish imaginative writing and its relationship to the country's history Stretching from the medieval masterpieces of St Columba's Iona the earliest surviving Scottish work to the energetic world of twenty first century writing by authors such as Ali Smith and James Kelman this outstanding account traces the development of literature in Scotland and explores the cultural linguistic and literary heritage of the nation It includes extracts from the writing discussed to give a flavor of the original work and its new research ranges from specially made translations of ancient poems to previously unpublished material from the Scottish Enlightenment and interviews with living writers Informative and readable this is the definitive single volume guide to the marvelous legacy of Scottish literature **Warriors of the Word** Michael Newton,2019-11-05 An enlightening

illustrated overview of Gaelic culture and history in Scotland Words have always held great power in the Gaelic traditions of the Scottish Highlands Bardic poems bought immortality for their subjects satires threatened to ruin reputations and cause physical injury clan sagas recounted family origins and struggles for power incantations invoked blessings and curses Even in

the present Gaels strive to counteract centuries of misrepresentation of the Highlands as a backwater of barbarism without a valid story of its own to tell Warriors of the Word offers a broad overview of Scottish Highland culture and history bringing together rare and previously untranslated primary texts from scattered and obscure sources Poetry songs tales and proverbs supplemented by the accounts of insiders and travelers illuminate traditional ways of life exploring such topics as folklore music dance literature social organization supernatural beliefs human ecology ethnic identity and the role of language This range of materials allows Scottish Gaeldom to be described on its own terms and to demonstrate its vitality and wealth of renewable cultural resources making this an essential compendium for scholars students and all enthusiasts of Scottish culture

The Celtic Placenames of Scotland William J. Watson, 2011-06-20 First published in 1926 this book remains the best and most comprehensive guide to the Celtic place names of Scotland and is essential reading for anyone interested in Scottish history and the derivations of place names the length and breadth of the country It is divided into sections dealing with early names territorial divisions general surveys of areas and also looks at saints church terms and river names As the standard reference work on the subject it has never been surpassed This edition contains a new introduction which includes biographical material about the author together with corrigenda and addenda

Máel Coluim III, 'Canmore' Neil McGuigan, 2021-06-03 Winner of the Frank Watson Book Prize for the best book published on Scottish History Shortlisted for the Saltire Society History Book of the Year The legendary Scottish king M el Coluim III also known as Malcolm Canmore is often held to epitomise Scotland s ancient Gaelic kings But M el Coluim and his dynasty were in fact newcomers and their legitimacy and status were far from secure at the beginning of his rule M el Coluim s long reign from 1058 until 1093 coincided with the Norman Conquest of England a revolutionary event that presented great opportunities and terrible dangers Although his interventions in post Conquest England eventually cost him his life the book argues that they were crucial to his success as both king and dynasty builder creating internal stability and facilitating the takeover of Strathclyde and Lothian As a result M el Coluim left to his successors a territory that stretched far to the south of the kingship s heartland north of the Forth similar to the Scotland we know today The book explores the wider political and cultural world in which M el Coluim lived guiding the reader through the pitfalls and possibilities offered by the sources that mediate access to that world Our reliance on so few texts means that the eleventh century poses problems that historians of later eras can avoid Nevertheless Scotland in M el Coluim s time generated unprecedented levels of attention abroad and more vernacular literary output than at any time prior to the Stewart era

If you ally obsession such a referred **Spes Scotorum Hope Of Scots** book that will have enough money you worth, acquire the very best seller from us currently from several preferred authors. If you desire to humorous books, lots of novels, tale, jokes, and more fictions collections are after that launched, from best seller to one of the most current released.
