This is an encyclopedic work arranged by broad categories and then by original authors of literary pastiches in which fictional characters have reappeared in new works after the deaths of the authors that created them. It includes book series that have continued under a deceased writer's real or pen name, undisguised offshoots issued under the new writer's name, posthumous collaborations in which a deceased author's unfinished manuscript is completed by another writer, unauthorized pastiches, and biographies of literary characters. The authors and works are entered under the following categories: Action and Adventure, Classics, 18th Century and Earlier, Classics, 19th Century, Classics, 20th Century, Crime and Mystery, Espionage, Fantasy and Horror, Humor, Juveniles, 19th Century, Juveniles, 20th Century, Poets, Pulps, Romances, Science Fiction, and Westerns. Each original author entry includes a short biography, a list of original works, and information on the pastiches based on the author's characters. Science Fiction Serials Roy Kinnard, 2015-08-13. *Destination Moon* George Pal's 1950 Technicolor epic is generally cited as the first noteworthy science fiction film. Usually ignored or casually dismissed in genre histories are the serials, the low budget chapter plays exhibited as Saturday matinee fare and targeted almost exclusively at children. Lacking stars and top notch writers or directors, the serials went largely unnoticed and unacknowledged by either critics or by the film industry. Yet serials were financially important to the Hollywood studios and were often free to exploit risky or outlandish subjects that producers of distinguished movies would not touch. Influential serials such as *The Phantom Empire* 1935 and *Flash Gordon* 1936 finally brought science fiction themes to the big screen. Those serials and 29 others are exhaustively covered in this work, which provides complete cast and credit information along with plot descriptions and historical commentary for each serial. Video distributors, if available, are also listed.
