## **Spirit And The Mind Essays In Informed Pentecostalism:**

*The Spirit and the Mind* Terry L. Cross, Emerson B. Powery, 2000-05-10 The Spirit and the Mind a collection of essays in honor of Pentecostal scholar Donald N Bowdle unites a wide ranging group of authors in an attempt to articulate the Pentecostal tradition of the Christian faith The topics vary from biblical criticism to specifically Pentecostal issues The editors concerned with the popular perception of Pentecostal scholarship have gathered together a selection of pieces that demonstrate the diversity and intellect of the scholars from this tradition Issues explored include prayer and mysticism the need for integrity in ministry the doctrines of justification and sanctification and the need for an informed Pentecostalism

The Work of the Spirit Michael Welker, 2006 This book is the result of a consultation entitled Pneumatology exploring the work of the Spirit from contemporary perspectives held in New York City in November 2004 Acknowledgments **The Interpreting Spirit** Hannah R. K. Mather, 2020 The Interpreting Spirit is both a consideration of the Spirit's role in the interpretation of Scripture and a celebration of renewal scholarship It examines those who have focused on the Spirit's role in their hermeneutical considerations recognizing common uniting themes amidst the diversity of scholarly approach and opinion Working on the principle that the Spirit communicates in ways that seek to unify and celebrate the other Mather works diachronically from 1970 identifying and drawing together these common uniting hallmarks into a collective understanding Pivotal to Mather's argument is her emphasis that we do not just interpret Scripture but that the Spirit through Scripture and working in our lives in ways that lead us towards Scripture interprets us The Interpreting Spirit is the first comprehensive analysis of the conversation surrounding pneumatic interpretation that has been taking place particularly among renewal scholars since 1970 It seeks to answer the notoriously difficult question What does the Spirit do in the process of biblical interpretation Awarded 2021 Award of Excellence by The Foundation for Pentecostal Scholarship

**An African Pentecostal Hermeneutics** Marius Nel, 2018-12-27 The face of African Christianity is becoming Pentecostal African Pentecostalism is a diverse movement but its collective interest in baptism in the Spirit and the result of Pentecost in daily living binds it together Pentecostals read the Bible with the expectation that the Spirit who inspired the authors will again inspire them to hear it as God's word They emphasize the experiential at times at the cost of proper doctrine and practice This book sketches an African hermeneutic that provides guidance to a diverse movement with many faces and serves as corrective for doctrine and practice in the face of some excesses and abuses especially in some parts of the neo Pentecostal movement African Pentecostalism's contribution to the hermeneutical debate is described before three points are discussed that define it the centrality of the Holy Spirit in reading the Bible the eschatological lens that Pentecostals use when they read the Bible and the faith community as normative for the interpretation of the Bible **Dismantling the Dualisms for American Pentecostal Women in Ministry** Lisa Stephenson, 2011-10-06 The pneumatological magna carta of Acts 2 has never translated into a fully liberating praxis for Pentecostal women in ministry Scholars have given this

problem limited attention but their works do not adopt the perspective of pneumatology or engage feminist theology In neglecting pneumatology Pentecostals have ignored a methodological approach and a dominant orienting motif that is fundamental to their spirituality In neglecting feminist theology they proffer an incomplete solution that addresses anthropological paradigms to the exclusion of ecclesiological ones After analyzing the historical and theological factors resulting in the present situation among American Pentecostal women in ministry this book proposes a Feminist Pneumatological anthropology and ecclesiology that address the problematic dualisms that have perpetuated Pentecostal women's ecclesial restrictions

**The Future of Pentecostalism in the United States** Eric Patterson, Edmund John Rybarczyk, 2007-01-01 One hundred years after the Azusa Street Revival stunned Los Angeles and changed Western Christianity Pentecostalism has become the fastest growing religious movement in the world However many Pentecostal denominations in the United States are in a slow decline Will Pentecostalism survive in North America in the twenty first century If so what forms will it take The Future of Pentecostalism in the United States brings together leading scholars of charismatic and Pentecostal Christianity to discuss and forecast these issues The book looks at American Pentecostalism from a variety of disciplinary perspectives including sociology theology history and the arts The book also considers various traditions and sub movements within U S Pentecostalism such as African American Pentecostal and charismatic Latino churches urban postmodern charismatic congregations and the role of Pentecostal institutions of higher education

**1 John, 2 John, 3 John** John Christopher Thomas, 2019-05-21 This commentary written from a distinctively Pentecostal perspective is primarily for pastors lay persons and Bible students It is based upon the best

scholarship written in popular language and communicates the meaning of the text with minimal technical distractions The author offers a running exposition on the text and extended comments on matters of special significance for Pentecostals He acknowledges and interacts with alternative interpretations of individual passages and his commentary also provides periodic opportunities for reflection upon and personal response to the biblical text     *Pentecostal Hermeneutics* Lee Roy Martin,2013-09-19 In *Pentecostal Hermeneutics A Reader* Lee Roy Martin brings together fourteen significant publications on biblical interpretation along with a new introduction to Pentecostal hermeneutics and an extensive up to date bibliography on the topic Organized chronologically these essays trace the development of Pentecostal hermeneutics as an academic discipline The concerns of modern historical criticism have often stood at odds with Pentecostalism s use of Scripture Therefore over the last three decades Pentecostal scholars have attempted to identify the unique characteristics and interpretive practices of their tradition and to offer constructive proposals for a Pentecostal hermeneutic that would be critically valid and at the same time be consistent with the Pentecostal ethos and conducive for the continued development of the global Pentecostal movement Contributors include Rickie D Moore John Christopher Thomas Jackie David Johns Cheryl Bridges Johns John W McKay Robert O Baker Scott A Ellington Kenneth J Archer Robby Waddell Andrew Davies Clark H Pinnock and Lee Roy Martin
