Through The Force of The Spirit Eric Mayo, 2015 This book will challenge long held certainties and beliefs It tells of the origins evolutionary journey and eventual destiny of the spiritual energy that is found within all forms of life and throughout

the cosmos How does that energy manifest within us and other life forms Does it survive the death of the mortal shell Is Gaia Theory correct and our planet is indeed a living entity Does our destiny lie beyond our solar system This book lays the foundation for a spiritual quest as it examines these ideas and leads the reader towards the goal of cosmic consciousness Reading these pages will energise your spiritual mind and enable you to walk towards the light of a true spiritual awakening

Sharing Kathy Oddenino,1990-04 Seeing in the Dark Colleen Deatsman,2009-05-01 The word shaman means one who sees in the dark Shamans consciously choose to live in two different worlds at the same time They have one foot here in the everyday world and one foot in the world of the spirits The fact is we all live in these two different worlds but are commonly not aware of the other less visible one This world does not exist in some other place but is right beside us just outside of our usual perceptions Seeing in the Dark is a definitive source for personal shamanism and not only provides the tools and techniques of the shaman but presents the wisdom tradition awareness paradigm and shamanic way of life The powerful shamanic path has weathered the cataclysmic changes of over 50 000 years of human history and is even more vital and relevant today In times when stress tension and the fast pace of life overwhelm us this path shows us how to slow down reconnect to the sacred and harness our personal power skills that will be needed for the uncertain days ahead Included in this book are over 100 easy to follow exercises that teach important survival skills for the coming changes of 2012 and beyond

The Power of Inner Choice Mary E. Allen,2005 This revolutionary 12 week course brings a new level of self awareness that helps individuals realize their personal goals from the inside out Using a combination of disciplines from aesthetic solutions to common sense each lesson builds from the last so that individuals learn to apply and layer the skills they acquire each week to achieve a new understanding of their needs and to push beyond their personal boundaries With written and experiential exercises that help establish an alignment of inner fulfillment with outer achievements the results lead to an authentic self resulting in greater self awareness compassion and love

Power Within You

John-Roger,1984-01-01 Outlining how the tools for creating what one wants are within one's reach this book describes how the greatest tools and resources lie within Included are methods for discovering the powerful positive use of the conscious subconscious and unconscious mind practicing and developing the skill of working with inner success mechanisms and expanding their personal power

Masters of the Secrets Prof. C. Wattles Haanel Mentz,2007-06-26 This book has several exciting features Commentary on the following authors is included Wallace Wattles Dr Joseph Murphy Judge Thomas Troward Dr Charles Haanel Dr Christian Larson Dr Napoleon Hill Prentice Mulford William Walker Atkinson James Allen and Robert Collier This book also contains an inspiring version of The 8 Fold Path 25 Secrets to Gratitude A metaphysical Exercise for Health by Wattles 12 Steps for Abundance and an prosperity analysis of the Beatitudes Prof Mentz has studied the greatest authors of personal growth and self help philosophy for over 20 years He began researching metaphysics human potential Christian mystics Eastern spirituality ancient fraternal rites and secret orders to extract the leading principles for

growth of mind body and soul After reading some 500 books in the field of success and attending hundreds of lectures that discussed life improvement subjects he has compiled summaries of what he believes to be the most effective strategies throughout the world The Power of Intention Wayne W. Dyer,2009-08-31 Argues that intention is a force found in the universe that propels an individual into action and includes stories and examples of the principles of intention and ways to apply intention to everyday life *JOHN ANTHONY LEWIS! poetry, prose, and other selected writings* Johnnie Reason,2010-11-17 Take a man who has survived his past Listen to the stories in his passage See his vision of our world And share the dream that indeed is already in motion Do this and the energy of his words will be with you Share with the author your passion for the issues **Change Your Encodements, Your DNA, Your Life!** Cathy Chapman,2005 Amma as channelled through Cathy Chapman teaches us how to harness the power of love and to work with our DNA encodements to enhance the quality of this life and the next one **Yoga Nidra** Kamini Desai,2017-03 Yoga Nidra is the master key to initiating shifts in conscious sleep states where change happens outside of doing In Yoga Nidra you enter a state of non doing in which transformation happens from beyond the mind rather than through the mind In this highly regenerative meditative state you can restore and rejuvenate your body heal and recover from illness and re wire your brain for greater mental and emotional balance and resiliency This comprehensive guidebook explores the core of Yogic philosophy and modern applications of Yoga Nidra backed by scientific research affirming what Yogis have known for thousands of years You will receive instruction on the practice of Yoga Nidra and the use of intention You will discover how unconscious thinking patterns and resulting biochemical states contribute to ill health stress insomnia depression anxiety bad habits trauma and addictions and most importantly how to neutralize them with the Six Tools of Yoga Nidra *The Mind of Consciousness* Ray Morose,2011 The Mind of Consciousness The Mind of Consciousness is a book unfolding a new way with new process methods to evaluate your existence It is an experiential work written in textbook format that analytically delineates how and why consciousness and mind interface and function exposing the inter connective dependency of non biological consciousness and the biologically created mind Knowing how that interconnectivity interrelates provides avenues of exploration that reveal the fundamental nature of existence unveiling an innate purpose and direction embedded within consciousness This book works through all the major questions of existence using reproducible and experiential logic allowing everyone to experience the results of that exploration Throughout your life you have two realities at war with one another the primary I am reality formed from non biological consciousness and the secondary I am this or that reality formed by the biological mind You may not be aware of or even appreciate the internal conflict these two inter connective and inter dependent realities create However you experience the resultant turmoil and confusion their subliminal battles establish by not having an experiential appreciation of how those realities are formed function and potentially control your life The text delineates causation for those ongoing internal battles and outlines processes to help overcome the sense of frustration

isolation and discord they generate This experiential method of examination creates empirical processes that afford you the opportunity to make an informed choice rather than a conditioned reaction providing a more secure productive directional and enjoyable life This book takes you into the core of your being turning it inside out exposing who and what you are by revealing a self created shadow world controlling your life without you being aware that control exists Dream It First Jacqueline R.
