Spirit Horses:

Spirit Horses Alan S. Evans, 2009-04-01 A beautiful touching and tender tale filled with vivid imagery and raw emotion In the hills of Tennessee Shane Carson a gifted nationally recognized horseman is living the good life When a mysterious mustang shows up on his farm Shane doesn't know how or why the horse appeared but the horse's distinctive brand identifies her She is one of the Spirit Horses a rare wild herd that runs free on the Shoshone reservation in Wyoming Watched over for centuries in the tribe's ancestral valleys these exquisite horses according to belief provide a link to the afterlife When tragedy strikes in his life Shane nearly loses his will to live but for one promise he made to his young son to return the mustang to her rightful home On this bittersweet journey Shane finds a world where tradition reigns and ancient beliefs transcend modern logic In this magnificent expanse of blue sky and wide open spaces love is alive but hate intolerance and greed threaten to close in To make good on his vow Shane must face the danger that threatens these horses the tribe's legacy and his destiny Transcending genres a truly inspirational story of triumph over tragedy *Summer Solstice~Spirit Horses* Paige Truehart, 2012-05 April Cincinnati lost her parents in a car accident when she was young Now eight years later she can hear her mother's and father's voices again along with her grandpa's and nana's That's because she has met the spirit horses All her family members that have passed are in spirit horse bodies Whenever they're in trouble April is always there to help them But how long will she last after risking her life more than once **The Spirit Horses** J. The Horses of Proud Spirit Melanie Sue Bowles, 2017-10-17 There are approximately seven million horses in the United States Each year over 70 000 end up going to slaughter Hundreds of thousands more are abused neglected or abandoned by callous and irresponsible owners With a heart as big as a pasture author Melanie Bowles takes some of these horses into her sanctuary called Proud Spirit Here horses that arrive listless and broken find a home where they finally know safety The bond between horse and caretaker does not happen overnight It hangs by a fine thread of trust which the author earns with endless patience and a full commitment to the well being of the horses in her care The horses some of which have suffered severe abuse astound her time and again with their ability to trust return the love they are given and enjoy the companionship of other horses You will meet an entire stableful of remarkable horses Dusty a young Thoroughbred who recovered from severe injuries to reveal a rambunctious personality and a knack for stealing hats Maddy an elderly mare and Dancer a gallant Appaloosa both of whom had been isolated for years but whose ecstatic first acquaintance at Proud Spirit was mysteriously like the reunion of two soul mates Annie a little sorrel mare who will break your heart with her weary kindness and who found peace at last under an old oak tree in a pasture at Proud Spirit Wrangler a Miniature whose premature separation from his dam turned him into a tiny tormentor His rowdy innocence helped Marshal a huge palomino Draft horse with neurological trauma become playful and engaged as he educated Wrangler in horsey manners The Horses of Proud Spirit is an homage to the spirit of these alluring creatures and a moving memoir of lessons learned in compassion strength and loss Next in series See all of the books in this series **Spirit**
