The Spirit of Beauty Henry Webster Parker,1891 The Spirit of Beauty Henry Webster Parker,1888 **The Spirit of Beauty** Henry W. Parker,2014-03 This Is A New Release Of The Original 1888 Edition *God's Beauty-in-Act* Stephen M. Garrett,2013-07-24 Jurgen Moltmann and others contend that Christian theology and the church face a dual crisis one of relevance and the other of identity Despite making this pronouncement nearly forty years ago the church in the West continues to struggle with this crisis Several proposals have been espoused from the way of wisdom to the way of ecclesial praxis Yet little attention is given in Protestant theological discourse to the role God s beauty plays in bringing theology and ethics together By neglecting God s beauty for theological discourse we risk diminishing Christian worship witness and wisdom God s Beauty in Act addresses these issues in part by arguing that the redemptive creative suffering and glorious resurrection of Christ are the nexus of God s being beauty and Christian living God s beauty understood as the fittingness of the incarnate Son s actions in the Spirit to the Father s will radiates God s glory and draws perceivers into the dramatic movements of God s triune life These movements serve as the patterns that shape the imagination enabling participants to perform their parts creatively and fittingly in God s drama of redemption In doing so human beings flourish as they jettison false identities and realities of their own making that are incommensurate with God s purpose found in Christ by the Spirit
