

A TWO-SPIRIT JOURNEY

@BDAPUBLISHING

A Two-Spirit Journey is Ma-Nee Chacaby's extraordinary account of her life as an Ojibwa-Gree lesbian. From her early, often harrowing memories of life and abuse in a remote Ojibwa community riven by poverty and alcoholism, Chacaby's story is one of enduring and ultimately overcoming the social, economic, and health legacies of colonialism.

write a review Spiritual Oxygen Mark G. Boyer, 2025-10-22 The adjective spiritual refers to aspects of one's spirit. The idea that each person possesses an immaterial and immortal soul which is distinct from the body did not appear in Jewish biblical literature before the Babylonian exile. After interacting with Persian and Hellenistic philosophies, the word *nephesh* entered Hebrew, meaning living being, not the dichotomous Hellenistic meaning. Thus, the biblical soul refers to a living, breathing, conscious body. According to biblical literature, God like a potter formed people from clay, dirt, and breathed divine breath into them. Spiritual oxygen refers to the divine breath or spirit given to all living beings. The Hebrew word *ruah*, which can be translated into English as breath, spirit, or wind, means that everything that breathes is inspired. When a person breathes, the colorless and odorless gas known as oxygen, one is simultaneously inhaling spirit. Thus, biblical spirituality is the process of living one's life in relationship with God while breathing deeply of the divine spirit. Biblical spirituality for the twenty-first century consists of spirits, humans living and breathing Spirit, God, and being aware of the divine presence in which one lives and moves and has his or her being. This book explores that process.
