Spirit Walker Warwick Gibson, 2025-10-28 Prince Rossi Monhoven is fourth in line to the throne He wishes he wasn't in line for anything His mother died in a hunting accident while he was young and his father is always busy with affairs of state The less he has to do with the sprawling Karnatic League the better Then he's sent incognito to Shaker's Hope as Mudge Wheeler and given a smallholding cut out of the forest It's part of his training to be Regent of one of the prosperous Marchlands regions For the first time he makes real friends and even his abysmal spirit walker abilities improve Then evil arises in the ancient northern empire of Xaan Assassins come after him and his friends start dying While the League prepares for war Mudge heads north He's accompanied by a band of Elite Rangers and their first stop is Tashigot Keep An encounter with the Keeper Stone almost kills him but they press on for Xaan They may be the only hope the League has Goodreads rating 4.60 from 5 reviews

Walking Two Worlds Betty Nadine Thomas, 2024-06-27 This book has been a profound personal journey across time space and dimensions Most of the poems have been given to me directly from my Spirit Guides their words ideas and concepts have not been altered in anyway My role has only been to transcribe their messages I am just the person holding the pencil Recently I was asked to read a few poems to an audience from *Walking Two Worlds* After reading them I realized these poems should not be read in an audience setting The poems and drawings are so interrelated that one misses out experiencing the totality of both art forms This book of poems is a journey that needs to be experienced and enjoyed by each person on an individual personal basis As with all of my writing and drawings my goal is to teach compassion broaden narrow minds and motivate people to accept all peoples for who they are regardless of culture race religion and or sexual orientation If only one person's life or ideas are changed in a positive way as a result of reading *Walking Two Worlds* I will consider it an outstanding accomplishment

Nightwalking Matthew Beaumont, 2015-03-24 A captivating literary portrait of London explored at night by some of the city's most iconic writers throughout history Cities like cats will reveal themselves at night wrote the poet Rupert Brooke Before the age of electricity the nighttime city was a very different place to the one we know today home to the lost the vagrant and the noctambulant Matthew Beaumont recounts an alternative history of London by focusing on those of its denizens who surface on the streets when the sun's down If nightwalking is a matter of going astray in the streets of the

metropolis after dark then nightwalkers represent some of the most suggestive and revealing guides to the neglected and forgotten aspects of the city In this brilliant work of literary investigation Beaumont shines a light on the shadowy perambulations of poets novelists and thinkers Chaucer and Shakespeare William Blake and his ecstatic peregrinations and the feverish ramblings of opium addict Thomas De Quincey and among the lamp lit literary throng the supreme nightwalker Charles Dickens We discover how the nocturnal city has inspired some and served as a balm or narcotic to others In each case the city is revealed as a place divided between work and pleasure the affluent and the indigent where the entitled and the desperate jostle in the streets With a foreword and afterword by Will Self Nightwalking is a fascinating literary exploration of the writers who traverse the city at night and the people they meet Feminist Measures Lynn Keller,1994 Explores the role of gender in poetic production the tensions between poetry and contemporary literary theory and the fluid boundaries between theoretical and literary writing **Study Guide to The Color Purple and Other Works by Alice Walker** Intelligent Education,2020-06-28
