Moss,2016-04-12 A captivating narrative history that traces liquor beer and wine drinking in the American South including 40 cocktail recipes Ask almost anyone to name a uniquely Southern drink and bourbon and mint juleps perhaps moonshine are about the only beverages that come up But what about rye whiskey Madeira wine and fine imported Cognac Or peach brandy applejack and lager beer At various times in the past these drinks were as likely to be found at the Southern bar as barrel aged bourbon and raw corn likker The image of genteel planters in white suits sipping mint juleps on the veranda is a myth that never was the true picture is far more complex and fascinating Southern Spirits is the first book to tell the full story of liquor beer and wine in the American South This story is deeply intertwined with the region from the period when British colonists found themselves stranded in a new world without their native beer to the 21st century when classic spirits and cocktails of the pre Prohibition South have come back into vogue Along the way the book challenges the stereotypes of Southern drinking culture including the ubiquity of bourbon and the geographic definition of the South itself and reveals how

that culture has shaped the South and America as a whole Vintage Spirits Forgotten Cocktails , The authentic vintage cocktail has made a comeback This book does not repeat the timeworn cocktails of old While old fashioned martinis rusty nails margaritas and negronis are all great drinks and this book includes the most authentic recipes you can find them anywhere Here historian expert and drink aficionado Dr Cocktail has hand picked 80 drinks rarely made today and all of them deserve revival Some are from the nineteenth century some from the Prohibition era and some from just after World War II as the golden age of the cocktail was waning All are retrieved from extremely uncommon sources In fact some of these drinks were found carefully penned into old cocktail manuals or on scraps of paper and may never have been published They are true treasures indeed Vintage Spirits and Forgotten Cocktails pays homage to the great bartenders of the past and the beverages they created lost in time but still grand and full of potential If you have half the fun looking at this book and trying these recipes as the author did putting them together a great party is sure to ensue *The food & drink guide for Thailand*
