Sympathetic and wonderfully perceptive a heartbreaking read NICK COHEN Critic Wise witty and empathetic outstanding JIM CRACE A fascinating treatment of the age old problem of writers and drink which displays the same subtle qualities as William Palmer's own undervalued novels D J TAYLOR An enjoyable exploration of an enduringly fascinating subject Palmer is above all a dispassionate critic and is always attentive to and unwaveringly perceptive about the art of his subjects as well as their relationship with alcohol his treatment is even handed and largely without judgement He tries to understand without either condoning or censuring the impulses behind often reprehensible behaviour SOUMYA BHATTACHARYA New Statesman A vastly absorbing and entertaining study of this ever interesting subject ANDREW DAVIES screenwriter and novelist *In Love with Hell* is a fascinating and beautifully written account of the lives of eleven British and American authors whose addiction to alcohol may have been a necessary adjunct to their writing but ruined their lives Palmer's succinct biographies contain fine descriptions of the writers their work and the times they lived in and there are convincing insights into what led so many authors to take to drink PIERS PAUL READ Why do some writers destroy themselves by drinking alcohol Before our health conscious age it would be true to say that many writers drank what we now regard as excessive amounts Graham Greene for instance drank on a daily basis quantities of spirits and wine and beer most doctors would consider as being dangerous to his health But he was rarely out of control and lived with his considerable wits intact to the age of eighty six W H Auden drank the most of a bottle of spirits a day but also worked hard and steadily every day until his death Even T S Eliot for all his pontifical demeanour was extremely fond of gin and was once observed completely drunk on a London Tube station by a startled friend These were not writers who are generally regarded as alcoholics Alcoholic is in any case a slippery word as exemplified by Dylan Thomas's definition of an alcoholic as someone you dislike who drinks as much as you The word is still controversial and often misunderstood and misapplied What acclaimed novelist and poet William Palmer's book is interested in is the effect that heavy drinking had on writers how they lived with it and were sometimes destroyed by it and how they described the whole private and social world of the drinker in their work He looks at Patrick Hamilton the feverish magic that alcohol can work Jean Rhys As soon as I sober up I start again Charles Jackson Delirium is a disease of the night Malcolm Lowry I love hell I can't wait to go back there Dylan Thomas A womb with a view John Cheever The singing of the bottles in the pantry Flann O'Brien A pint of plain is your only man Anthony Burgess Writing is an agony
