Spiritual Intimidation:

Spiritual Abuse Recovery Barbara M. Orlowski, 2010-01-01 What factors contribute to active Christians in ministry leaving their church and becoming exiting statistics Every year dedicated Christian people leave churches because of spiritual abuse The stories of people who left their home church because of a negative and hurtful experience paint a picture of a widespread occurrence which beckons consideration by church leaders and church congregants alike Spiritual abuse the misuse of spiritual authority to maltreat followers in the Christian Church is a complex issue This book shows how people processed their grief after experiencing spiritual abuse in their local church and how they rediscovered spiritual harmony Their spiritual journey shows how one may grow through this devastating experience This book offers a thoughtful look at the topic of spiritual recovery from clergy abuse through the eyes of those who have experienced it It invites church leaders to consider this very real dysfunction in the Church today and aims to demonstrate a path forward to greater freedom in Christ after a season of disillusionment with church leadership *The Spectator*, 1857

Holy Spirit Who? Alexys V. Wolf, 2011-02-25 Alexys is about to take you on a journey Holy Spirit Who is not like any book I have ever read about Holy Spirit I am not even sure if I would call it a book It s a reference a study guide and a testimony of the very heart and character of God Holy Spirit Who takes you deeper into the Word of God than most would endeavor Alexys has a way of breaking it down and feeding you line upon line precept upon precept Holy Spirit Who is foundational yet a tender haul over the coals for the intellectual who thinks he may have read it all Subtly she will eliminate every excuse you have to not walk fully in His will for your life and eradicate the very justification you thought you had for not knowing and walking in His Word I believe she actually writes Partial commitment is really no commitment Accepting who we are and then understanding who we are with Holy Spirit is a revelation that can only come from knowing His word and Him personally Alexys ensures that accurate interpretation is expressed and her findings are explored thoroughly She dissects Scripture within the Word of God digging deeper into the original intent and language She leads us with assurance leaving no room for uncertainty
