Abstract

This review study aims to examine narrative therapy's perspective toward spirituality, the relationship between narrative therapy and spirituality, and the use of spirituality in narrative therapy techniques; the study also reveals what kinds of processes can be followed when working with spiritually or religious-oriented clients using a case example. Narrative therapy is a postmodern therapy approach that aims to understand individuals' identities, personalities, lives, and relationships through the stories they create. This approach gives importance to understanding the meanings individuals ascribe to both their own life stories as well as their personal relationships. Spirituality plays an active role as a part of individuals' stories by adding meaning and purpose to individuals' lives and their relationships and for this reason has an important place in narrative therapy. Narrative therapy places emphasis on both understanding the meanings individuals ascribe to their stories as well as re-authoring these stories in a functional way using certain techniques. Spirituality plays a role as an important resource in re-authoring the individual's story through narrative therapy's techniques. By emphasizing the role of spirituality in narrative therapy, this study will both contribute to the literature on narrative therapy as well as provide a perspective on how spirituality can be used in this approach.

Narrative Terapide Maneviyat: Bir Derleme Çalışması

Öz

Bu derleme çalışmasıyla narrative terapinin maneviyata yönelik bakış açısının, narrative terapi ve maneviyat arasındaki ilişkinin, maneviyatın narrative terapi tekniklerinde kullanımının incelenmesi amaçlanmıştır ve dini/manevi yönelimli danışanlarla çalışırken nasıl bir süreç takip edilebileceği bir vaka örneğiyle ortaya konulmuştur. Narrative terapi, insanların kimliklerini, kişiliklerini, hayatlarını ve ilişkilerini kendi oluşturdıkları hikayeler aracılığıyla anlamaya çalışan postmodern bir terapi yaklaşımıdır. Bu yaklaşım hem bireylerin kendi hayat hikayelerine hem de kişisel ilişkilerine atfettikleri anlamları anlamayı önemsemektedir. Maneviyat ise bireylerin hikayelerinin bir parçası olarak onlara ve ilişkilerine anlam ve amaç katma noktasında etkin bir rol oynamaktadır. Bu nedenle maneviyat hem bireylerin hayatlarına hem de kişilerarası ilişkilere de kattığı anlamlarla narrative terapi çalışmalarında önemli bir yere sahiptir. Narrative terapi sadece bireylerin hikayelerine atfettikleri anlamları anlamakla yetinmeyip bu hikayeleri belli tekniklerle işlevsel bir biçimde yeniden yazmaya da çalışmaktadır. Maneviyatın narrative terapi teknikleri yoluyla bireyin hikayesini yeniden yazma çalışmalarında önemli bir kaynak olarak rolü bulunmaktadır. Bu çalışma narrative terapide maneviyatın rolüne vurgu yaparak hem narrative terapi literatürüne katkıda bulunacak hem de maneviyatın bu yaklaşımda nasıl kullanılabileceğine ilişkin bir perspektif sunacaktır.
