Spiritual Direction and the Care of Souls Gary W. Moon, David G. Benner, 2004-04-08 Editors Gary W Moon and David G Benner along with a team of expert contributors provide a comprehensive survey of spiritual direction in its myriad Christian forms With insights on spiritual direction s relationship to psychotherapy and pastoral counseling this book serves as an authoritative resource for spiritual transformation and pastoral care

Spiritual Direction and the Care of Souls David G. Benner, Gary W. Moon, 2025-06-23 In recent years many Christian clergy laity and mental health professionals have rediscovered the ancient practices of spiritual direction Seen as a refreshing alternative to the techniques and limitations of modern psychology such practices offer new insights for pastoral care But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners Spiritual direction is a practice of Christian soul care that is found most notably in the Catholic Orthodox and Episcopal traditions but is also present in Wesleyan Holiness Pentecostal charismatic social justice and Reformed communities Predating modern counseling and psychotherapy movements but sharing key principles and insights for spiritual formation spiritual direction offers significant resources for today s pastors counselors therapists chaplains and other caregivers attuned to the work of God in people s lives In this landmark volume editors Gary W Moon and David G Benner along with a team of expert contributors provide a comprehensive survey of spiritual direction in its myriad Christian forms Specific chapters offer careful historical perspective and contemporary analysis of how Christians from various backgrounds have practiced spiritual direction with particular attention to each tradition s definition of spiritual direction the process of authentic transformation the role of the spiritual director indicators of mature spirituality and other aspects of the spiritual direction process Chapters also provide psychological and clinical insight into how spiritual direction is similar to different from and can be integrated with psychotherapy and pastoral counseling to help others experience spiritual transformation and union with God

The Gift of Spiritual Direction Wilfrid Stinissen, 1999 It is a truism that we live in a time of renewed spiritual self search and reflection the response some suggest to a feeling of meaninglessness or superficiality in one s spiritual life Many people search for someone who will listen guide and encourage them but entrusting one s very soulcare to another calls for a gifted guide Written for all those who in any way are involved in spiritual direction and pastoral care or wish to prepare for the same Stinissen s book discusses the qualities essential for such counselors advisers and is meant to renew and strengthen the Church s role as a primary source for meaningful spiritual therapy Among the themes explored are listening dialogue false and real feelings of guilt difficulties in prayer discerning God s will Every person longs to be able to expose himself to another human being in his full reality writes Stinissen with his light and his darkness and to be accepted and loved just as he is To that end he emphasizes the important role and responsibility of a spiritual director or soul friend In addition to reflecting on specific qualities or qualifications of the director Stinissen discusses some of the specific questions a director is

likely to be asked by the directee and helpful ways of responding in various situations **Andens terapi. English** Wilfried O.C.D. Stinissen,1999 **Care of Mind, Care of Spirit** Gerald G. May,1982 Spiritual Direction and the Care of Souls: A guide to Christian approach David G. Benner, Listening for the Soul Jean Stairs, This book explores the relationship between the practices of pastoral care and the practices of spiritual direction with the aim of enabling pastoral caregivers to draw upon the guiding principles resources and techniques of spiritual direction within the Christian tradition With an emphasis on both practice and presence the book reclaims the tradition of soul care for the pastoral ministry thereby complementing the medical or crisis intervention model of pastoral care with a wellness growth model of pastoral care Listening for the Soul Challenges clergy to take seriously the relationship between pastoral care and spiritual direction Integrates theological and psychological insights with issues of spiritual life and formation Includes a chapter on the spiritual formation of children Provides practical guidance for integrating spiritual direction with pastoral care Tends to the pastoral caregivers own needs for spiritual deepening Includes reflection questions and case studies to enable the text to function on both the individual reader and classroom levels *Sacred Companions* David G. Benner,2009-08-20 We need companions on our spiritual journey In this inviting guide David G Benner introduces readers to the riches of spiritual friendship and direction explaining what they are and how they are practiced Through prayerful guided attunement to God's activity sacred companions provide care for the soul and Benner models the kind of traveling companion who can move us toward deeper intimacy with God **Short Term Spiritual Guidance** Duane R. Bidwell, This book represents a significant departure from most contemporary writing about spiritual direction While most writers focus on long term relationships of guidance specifically envisioning long listening sessions Bidwell changes focus Spiritual direction he insists typically requires intervention in a specific crisis or situation or question is not formal lasts fewer than five sessions and must be actively and intentionally focused on the person's growth Bidwell's work shows what spiritual directors can learn from the short term therapy model especially about enabling people briefly but effectively to learn to listen on their own and with others for God's presence Focusing on how God is already active in the directee's life allows the participants to identify God's action and respond in ways that collaborate with that identified movement of the Spirit Care of Mind, Care of Spirit Gerald G. May,1982
