47 Almost every denomination is experiencing steady decline How sure can we be that we are still offering something people want to hear Alison Morgan identifies four clear reasons to be confident 1 The gospel still speaks to confused teens and weary sceptics By embracing doubts and welcoming questions it remains open to us to present something which answers people s real needs 2 The word of truth and the Spirit of power still exercise authority and compel attention Alison s own experience of ministry in the UK and abroad provides illustrations 3 Spiritual gifts given not to excite individuals but in order to renew the church for its core task of mission are powerfully present and widely recognised and practised 4 In a time of rapid cultural change new expressions of church are constantly emerging this is necessary to guard against vital spirituality sliding into drab religion
