The Octagon of Spiritual Balances Pastor Bernard J. Weathers, 2016-11-21 The Octagon of Spiritual Balances was written and detailed for those who have been made aware of their salvation and are seeking the Christian way of life according to God's mandate as outlined in the Bible The focus is on the origin sequence and balancing of the spiritual attributes faith knowledge spiritual understanding belief trust hope love obedience peace and joy When these ten attributes are appropriated with the use of eight defined balances a spiritual equilibrium is formed within the life of the believer The purpose is to introduce and explain these spiritual attributes and their order of effective advent in the Christian life

instituting a spiritual foundation awareness and purpose in the believer which in due course will create stability and harmony with God and life in the spirit It enhances the believer s understanding of the work and will of God in their lives and empowers them to discern and receive what is of and from God as opposed to deceptive enticements The believer will receive direction purpose spiritual clarity and understanding as well as a confirmed spiritual equilibrium for Christian living The reward and end result from following Jesus will be illuminated so vividly in the spirit of the believing reader that the reality of eternity will displace the thoughts of temporal time

The Sacred Writings of John Cassian John Cassian, Cassian was one of the first and most prominent of the Semi Pelagians maintaining that while man is by nature sinful he yet has some good remaining in him and that while the immediate gift of God s grace is necessary to salvation conversion may also be begun by the exercise of man s will He further asserted that God is always willing to bestow his grace on all who seek it though at the same time it is true that he sometimes bestows it without its being sought These views have been held by a very large part of the church from his time and embrace much of the essence of Arminianism The style of Cassianus is slovenly and shows no literary polish but its direct simplicity is far superior to the rhetorical affectations which disfigure most of the writings of that age At the request of Castor bishop of Apt he wrote two monumental and influential treatises on the monastic life The *De Institutione Coenobiorum* twelve books describes the dress the food the devotional exercises the discipline and the special spiritual dangers of monastic life in the East gluttony unchastity avarice anger gloom apathy vanity and pride The *Collationes Patrum* a series of dialogues with the pious fathers of Egypt deal with the way in which these dangers and others e g demons may be avoided or overcome At the desire of Leo then archdeacon of Rome he wrote against Nestorius his *De Incarnatione Domini* in seven books

A Study in Scripture, Separating Truth from Fiction Travis Yonson, 2017-09-12 A study in scripture was an end product from a quest I had set out for many years ago to find the truth I started this quest with one goal in mind and that was to be able to separate the facts and truths in scripture from all the fiction and disorder that seem so prevalent today in Christian thought and teachings Though not perfect this work turned out to be a great study tool and starting point I still use often to further my quest And I hope it may help you in yours
