Gregory Lande,2020-07-10 America s Civil War took a dreadful toll on human lives and the emotional repercussions were exacerbated by tales of battlefield atrocities improper burials and by the lack of news that many received about the fate of their loved ones Amidst widespread religious doubt and social skepticism spiritualism the belief that the spirits of the dead existed and could communicate with the living filled a psychological void by providing a pathway towards closure during a time of mourning and by promising an eternal reunion in the afterlife regardless of earthly sins Primary research including 55 months of the weekly spiritual newspaper Banner of Light and records of hundreds of soldiers and family members spirit messages reveals unique insights into battlefield deaths the transition to spirit life and the motivations prompting ethereal communications This book focuses extensively on Spiritualism s religious political and commercial activities during the war years as well as the controversies surrounding the faith strengthening the connection between ante and postbellum studies of Spiritualism [The British Spiritual Telegraph](#) , **An Encyclopædia of Occultism** Lewis Spence,1920 *The Key to Theosophy* by H.P. Blavatsky,2019-01-09 This masterwork by H P Blavatsky traces the broad outlines of the Wisdom Religion and explains its fundamental principles meeting at the same time the various objections raised by the average Western inquirer and endeavoring to present unfamiliar concepts in a form as simple and in language as clear as possible That it should succeed in making Theosophy intelligible without mental effort on the part of the reader would be too much to expect but it is hoped that the obscurity still left is of the thought and not of the language is due to depth and not to confusion To the mentally lazy or obtuse Theosophy must remain a riddle for in the world mental as in the world spiritual each man must progress by his own efforts The writer cannot do the reader s thinking for him nor would the latter be any the better off if such vicarious thought were possible
