Spirituality Of The Christian East A Systematic Handbook:

The Spirituality of the Christian East Tomáš Špidlík, 1986 The spirituality of the Christian East Tomáš Špidlík, 1988

The Spirituality of the Christian East Tomáš Špidlík, 1986 This second volume on Eastern Christian spirituality amplifies in depth the final two chapters of the earlier *The Spirituality of the Christian East A Systematic Handbook* Like Cassian in writing his *Conferences* Cardinal Spidlick does not advocate any particular pattern of prayer but sets out faithfully to collect and share the teachings of generations of eastern monks and spiritual writers **Encyclopedia of Monasticism** William M. Johnston, 2013-12-04 The two volume *Encyclopedia of Monasticism* describes the monastic traditions of both Christianity and Buddhism with more than 600 entries on important monastic figures of all periods and places surveys of countries and localities and topical essays covering a wide range of issues e g art behavior economics liturgy politics theology and scholarship Coverage encompasses not only geography and history worldwide but also the contemporary dilemmas of monastic life Recent upheavals in certain countries are highlighted Korea Russia Sri Lanka etc Topical essays subtitled *Christian Perspectives* and *Buddhist Perspectives* explore in imaginative fashion comparisons and contrasts between Christian and Buddhist monasticism *Encyclopedia of Monasticism* also includes more than 500 color and black and white illustrations covering all aspects of monastic life art and architecture *John Cassian and the Reading of Egyptian Monastic Culture* Steven D. Driver, 2013-11-05 This book examines the method of meditative reading encouraged by John Cassian c 360-435 in his ascetic writings the bulk of which are fictive dialogues that purportedly record the instruction he had received from Egyptian Christian monks This instruction was at its core an interactive experience depending upon both the discernment of the master and diligent application of instruction by the student Driver examines Cassian's understanding of the act of reading and suggests the implications of this for Cassian's monastic teaching and it interprets Cassian's method of reading in light of contemporary discussions of reading and the self The Glenstal Book of Icons Gregory Collins, 2002 From the same Irish monastery that gave us the best selling *The Glenstal Book of Prayer* with over 150 000 copies sold worldwide *The Glenstal Book of Icons* presents meditations and prayers on a selection of icons from the Glenstal Abbey Icon Chapel The process is that of *lectio divina* where the icon itself is the text to be read and considered leading to a meditation on the text or icon which in turn leads to prayer Each icon is reproduced in full color A substantial introduction places the icon in its context in Eastern Christianity looks at the theology of icons and then at the Eastern approach to praying with icons Special emphasis is given to The Jesus Prayer which is then used in various forms throughout the meditations which follow Gregory Collins OSB is a monk of Glenstal Abbey Ireland **Desert Christians** William Harmless, 2004-06-17 In the fourth century the deserts of Egypt became the nerve center of a radical new movement what we now call monasticism Groups of Christians from illiterate peasants to learned intellectuals moved out to the wastelands beyond the Nile Valley and in the famous words of Saint Athanasius made the desert a city In so doing they captured the imagination of the ancient

world They forged techniques of prayer and asceticism of discipleship and spiritual direction that have remained central to Christianity ever since Seeking to map the soul's long journey to God and plot out the subtle vagaries of the human heart they created and inspired texts that became classics of Western spirituality These Desert Christians were also brilliant storytellers some of Christianity's finest This book introduces the literature of early monasticism It examines all the best known works including Athanasius Life of Antony the Lives of Pachomius and the so called Sayings of the Desert Fathers Later chapters focus on two pioneers of monastic theology Evagrius Ponticus the first great theoretician of Christian mysticism and John Cassian who brought Egyptian monasticism to the Latin West Along the way readers are introduced to path breaking discoveries to new texts and recent archeological finds that have revolutionized contemporary scholarship on monastic origins Included are fascinating snippets from papyri and from little known Coptic Syriac and Ethiopic texts Interspersed in each chapter are illustrations maps and diagrams that help readers sort through the key texts and the richly textured world of early monasticism Geared to a wide audience and written in clear jargon free prose Desert Christians offers the most comprehensive and accessible introduction to early monasticism

Spiritual Classics from the Early Church, 1995 This is an exploration of the rich spirituality of the Church Fathers found in the writings of Cyprian the Desert Fathers and Mothers Basil the Great Gregory of Nyssa John Chrysostom Augustine Benedict and Gregory the Great

The Oxford Handbook of Mystical Theology Edward Howells, Mark A. McIntosh, 2020-02-25 The Oxford Handbook of Mystical Theology provides a guide to the mystical element of Christianity as a theological phenomenon It differs not only from psychological and anthropological studies of mysticism but from other theological studies such as more practical or pastorally oriented works that examine the patterns of spiritual progress and offer counsel for deeper understanding and spiritual development It also differs from more explicitly historical studies tracing the theological and philosophical contexts and ideas of various key figures and schools as well as from literary studies of the linguistic tropes and expressive forms in mystical texts None of these perspectives is absent but the method here is more deliberately theological working from within the fundamental interests of Christian mystical writers to the articulation of those interests in distinctively theological forms in order finally to permit a critical theological engagement with them for today Divided into four parts the first section introduces the approach to mystical theology and offers a historical overview Part two attends to the concrete context of sources and practices of mystical theology Part three moves to the fundamental conceptualities of mystical thought The final section ends with the central contributions of mystical teaching to theology and metaphysics Students and scholars with a variety of interests will find different pathways through the Handbook

Thoughts Matter Mary Margaret Funk, 2013-02-01 Cassian taught that real intimacy with God in prayer demands renouncing one's former way of life the thoughts belonging to that former way of life and one's very idea of God In Thoughts Matter Mary Margaret Funk focuses on the second of these renouncing the thoughts belonging to one's former way of life Her eight chapters focus on different thoughts food sex anger dejection acedia

profound weariness of the soul vainglory taking credit for good actions and pride Funk explains well how failure to control these thoughts can undermine our spiritual life and she instructs readers on how effectively to overcome these thoughts and to focus instead on thoughts in harmony with God's will The result is an experience of joy hope and freedom from enslavement to our appetites Readers will come away enlightened strengthened and inspired to delve more deeply into a life of intimacy with God
