Spirituality Revisited:

Spirituality Revisited Karl A. Pohlhaus, 2005-06 Spirituality Revisited is a unique book It evenly addresses Spirituality among the great religions present in the world today as well as those qualities that denigrate what it means to be spiritually minded The author has many years of study and experience to draw from in describing the experience of Spirituality It is not a how to book or one that specifically remembers certain historic figures who have been deemed Spirit in nature and practice Rather it focuses on Spirituality as an experience contrasting it with qualities and positions that stand in distinction to its purpose for being felt in real time and space A must reading for those interested in World Religions and their place in the world today *England's Wars of Religion, Revisited* Dr Charles W A Prior, Professor Glenn Burgess, 2013-06-28 The causes and nature of the civil wars that gripped the British Isles in the mid seventeenth century remain one of the most studied yet least understood historical conundrums Religion politics economics and affairs local national and international all collided to fuel a conflict that has posed difficult questions both for contemporaries and later historians Were the events of the 1640s and 50s the first stirrings of modern political consciousness or as John Morrill suggested wars of religion This collection revisits the debate with a series of essays which explore the implications of John Morrill's suggestion that the English Civil War should be regarded as a war of religion This process of reflection constitutes the central theme and the collection as a whole seeks to address the shortcomings of what have come to be the dominant interpretations of the civil wars especially those that see them as secular phenomena waged in order to destroy monarchy and religion at a stroke Instead a number of chapters present a portrait of political thought that is defined by a closer integration of secular and religious law and addresses problems arising from the clash of confessional and political loyalties In so doing the volume underlines the extent to which the dispute over the constitution took place within a political culture comprised of many elements of fundamental agreement and this perspective offers a richer and more nuanced readings of some of the period's central figures and draws firmer links between the crisis at the centre and its manifestation in the localities **Assessing Spirituality in a Diverse World** Amy L. Ai, Paul Wink, Raymond F. Paloutzian, Kevin A. Harris, 2020-12-07 This volume addresses an important problem in social scientific research on global religions and spirituality How to evaluate the role of diverse religious and spiritual R S beliefs and practices within the rapid evolution of spiritual globalization and diversification trends The book examines this question by bringing together a panel of international scholars including psychologists sociologists and researchers in religious studies public health medicine and social work The content includes chapters describing innovative concepts of post Christian spirituality Eastern forms of meditation afterlife beliefs associated with the three dominant cultural legacies various non religious worldviews spiritual Jihad and secular and religious reverence The book also covers such important themes as spiritual well being faith struggle meaning making modeling and support as well as mysticism and using prayer to cope with existential crises This book advances the understanding of the role of R S across different faiths and cultural

systems including both Western and non Western ones and enriches the mainstream of psychological sciences and practices It appeals to students educators researchers and clinicians in multiple related fields and disciplines

Topographies of African Spirituality Afe Adogame,Ebenezer Obadare,Wale Adebaniwa,2025-01-31 This book explores African spirituality inside and outside of religion investigating African traditions and perceptions in the study of spirituality across Africa and the African diaspora It provides an interdisciplinary reflection on key issues in the field and sheds light on everyday experiences In particular the volume celebrates the work and mentorship of Professor Jacob K Olupona a leading figure in the study of African spiritualities religions in Africa and methodological approaches to the study of religion With chapters by an impressive range of scholars from institutions across Africa Europe and North America this book makes a valuable empirical and theoretical contribution to the development of African religious studies The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

A New Old Spirituality? Tone Stangeland Kaufman, 2017-07-11 How do pastors live their spiritual lives both as private persons and as professionals How can their spirituality be characterized and understood Drawing on in depth interviews with Norwegian clergy as well as literature from the fields of Christian spirituality practical theology congregational studies and the sociology of religion this book offers a nuanced understanding of clergy spirituality Tone Stangeland Kaufman identifies three locations and sources of spiritual nurture for pastors the ministry itself vocational spirituality daily life everyday spirituality and spiritual practices located at the margins of daily life intentional spirituality The participants in this study engage in classic Christian practices yet approach them in a subjective and new way that also potentially revitalizes their spiritual lives Hence the author makes the case that their spirituality can aptly be described as a new old spirituality The book also seeks to nuance Paul Heelas's and Linda Woodhead's Spiritual Revolution claim and thus engages in the broader spirituality vs religion discourse A New Old Spirituality is an exciting example of how qualitative empirical research can be used in creative ways to make a practical theological argument It is a book for scholars students and practitioners

New Perspectives on Religious and Spiritual Education Theo van der Zee, Terence J. Lovat, 2012 Society is a complex phenomenon characterized by constant change often entailing conflict This is seen in our own times where philosophies and movements of individualism pluralism and globalization intersect and often collide Still even in this fast moving and highly materialist world religion and spirituality remain crucial aspects of human and social living and therefore must be among the many focusses of the modern school Teachers of Religious and Spiritual Education RSE are therefore expected to support students religious and spiritual understanding as well as their overall development How can they best meet this challenge This book is comprised of various interdisciplinary research findings

drawn from international scholarship The findings are of a different order from each other but all have in common an element of surprise sufficient to impel reflection and re thinking of many of the assumptions that normally underpin RSE The book therefore constitutes a contribution to ongoing understanding of the role played by religious and spiritual education and of the proper interface between RSE and the modern school contemporary curricula and the teacher of today Contributions by Robert Crotty Ola Erik Domaas Michael Fricke Liam Gearon Adrian Mario Gellel Eija Hanhimaki Laura Hirsto Tapani Innanen Terence Lovat Klaas Macha Emanuel P Magro Adil Mamodaly Fritz Oser Ulrich Riegel Inkeri Rissanen Sturla Sagberg Kirsi Tirri Theo van der Zee Karen Wenell
