The New Grove: Gospel, Blues and Jazz with Spirituals and Ragtime, Handbook of U.S. Theologies of Liberation Miguel A. De La Torre, 2004-11-01 The purpose of this handbook is to introduce the reader to Christian concepts from the perspective of U.S. marginalized communities. It explores the interrelationship between religion, community, and culture in the social context of different marginalized groups, specifically those rooted in the African American, Amerindian, Asian American, feminist, gay/lesbian, and Hispanic experiences, and their impact on the development of U.S. theologies of liberation. The handbook gives attention to the history, nature, sources, and development of these theologies and the theologians who contributed to their formation. Of particular interest is how *Handbook of U.S. Theologies of Liberation* clearly distinguishes both the differences and similarities between these U.S. theologies and their Latin American counterparts. The handbook is divided into two sections: Thematic Essays that provide a general overview of a specific theological theme from the perspectives of different marginalized groups, and Contextual Essays that focus on the specific contributions of scholars from various racial, ethnic, and gender backgrounds

So You Want to Sing Spirituals Randye Jones, 2019-10-14 With their rich and complicated history, spirituals hold a special place in the American musical tradition. This soul-stirring musical form is irresistible to singers seeking to diversify their performance repertoire, but it is also riddled with controversy, especially for singers of non-African descent. Singer and historian Randye Jones welcomes singers of all backgrounds into the style while she explores its folk song roots and transformation into choral and solo vocal concert repertoire. Profiling key composers and pioneers of the genre, Jones also discusses the use of dialect and other controversial performance considerations. Contributed chapters address elements of collaborative piano, studio teaching, choral arrangement, voice science, and vocal health as they apply to the performance of spirituals. The *So You Want to Sing* series is produced in partnership with the National Association of Teachers of Singing. Like all books in the series, *So You Want to Sing Spirituals* features online supplemental material on the NATS website
