Splendid Symbols Mattiebelle Gittinger,1979 Splendid Symbols Mattiebelle Gittinger,1979-03-01 **Textile Trades, Consumer Cultures, and the Material Worlds of the Indian Ocean** Pedro Machado,Sarah Fee,Gwyn Campbell,2018-02-09 This collection examines cloth as a material and consumer object from early periods to the twenty first century across multiple oceanic sites from Zanzibar Muscat and Kampala to Ajanta Srivijaya and Osaka It moves beyond usual focuses on a single fibre such as cotton or place such as India to provide a fresh expansive perspective of the ocean as an interaction based arena with an internal dynamism and historical coherence forged by material exchange and human relationships Contributors map shifting social cultural and commercial circuits to chart the many histories of cloth across the region They also trace these histories up to the present with discussions of contemporary trade in Dubai Zanzibar and Eritrea Richly illustrated this collection brings together new and diverse strands in the long story of textiles in the Indian Ocean past and present **Fashionable Traditions** Ayami Nakatani,2020-01-28 Textiles play a decisive role in history attire not only indicates status gender ethnicity and religion but illustrates how such boundaries are continuously being negotiated shifted and recreated Fashionable Traditions captures the complex reality of Asian handmade textile production and consumption From traditionalist discourse and cultural authenticity to fashion and market trends the contributors to this collection demonstrate the multilayered influence of often contradictory forces In depth ethnographic case studies reveal the entangled relationships between local artisans external interventions and consumers while acknowledging the broader frameworks in which such relationships are situated Together these stories offer a vivid account of the socio economic political and cultural dynamics in various parts of Asia and emphasize that fashion is neither a Western prerogative nor do its roots reside solely in the West **Patterned Splendour** Lesley Pullen,2021-03-02 There exist numerous free standing figurative sculptures produced in Java between the eighth and fifteenth centuries whose dress display detailed textile patterns This surviving body of sculpture carved in stone and cast in metal varying in both size and condition remains in archaeological sites and museums in Indonesia and worldwide The equatorial climate of Java has precluded any textiles from this period surviving Therefore this book argues the textiles represented on these sculptures offer a unique insight into the patterned splendour of the textiles in circulation during this period This volume contributes to our knowledge of the textiles in circulation at that time by including the first comprehensive record of this body of sculpture together with the textile patterns classified into a typology of styles within each chapter **Textiles: Production, Trade and Demand** Maureen Fennell Mazzaoui,2016-12-05 This volume examines the role of textiles within the expanding global economy in the Age of European Exploration Major themes include the opening of new markets and responses to competition in the cloth trade evolving techniques and modes of production and changes in the patterns of consumption of local and imported cloth in a comparative cross cultural context Cloth and Human Experience Annette B. Weiner,Jane Schneider,2013-08-06 Cloth and Human

Experience explores a wide variety of cultures and eras discussing production and trade economics and symbolic and spiritual associations Securing a Place Elizabeth Morrell,2018-08-06 This book describes artisans from South Sulawesi Indonesia as they attempt to overcome poverty and communicate ethnic identity through participation in fluctuating silk and tourist souvenir industries Morrell assesses the significance and long term sustainability of their activities The discussion addresses broad questions about economic development as microenterprises such as these are vital sources of non farm incomes in rural areas with high unemployment *The Political Economy of India's Economic Development: 5000BC to 2022AD, Volume I* Sangaralingam Ramesh,2023-10-14 This book the first of two volumes explores India s economic development from 5000BC through to the India s independence period from 1947AD to 2022AD The specific characteristics of economic development in India are examined to help determine development paths India can pursue to create sustainable development in the 21st century The transition from the primary sector to the secondary sector through the process of industrialisation and in turn the move towards the services sector is discussed in relation to climate change and the pressure on resources posed by population growth This book aims to contextualise India s economic development within the political economy of trade sustainable development and culture with a particular focus on the institutions that have emerged in the Indian sub continent since 5000BC It will be relevant to students and researchers interested in economic history development economics and the political economy **Ethnic Dress in the United States** Annette Lynch,Mitchell D. Strauss,2014-10-30 The clothes we wear tell stories about us and are often imbued with cultural meanings specific to our ethnic heritage This concise A to Z encyclopedia explores 150 different and distinct items of ethnic dress their history and their cultural significance within the United States The clothing artifacts documented here have been or are now regularly worn by Americans as everyday clothing fashion ethnic or religious identifiers or style statements They embody the cultural history of the United States and its peoples from Native Americans white Anglo colonists and forcibly relocated black slaves to the influx of immigrants from around the world Entries consider how dress items may serve as symbolic linkages to home country and family or worn as visible forms of opposition to dominant cultural norms Taken together they offer insight into the ethnic based core ideologies myths and cultural codes that have played a role in the formation and continued story of the United States
