Pope (1978-2005 : John Paul II),1993      **Renewing the Evangelical Mission** Richard Lints,2013-05-26 The culture story of evangelicalism during the second half of the twentieth century has been well told It is important now to think about the theological mission of the church in an ever increasing post Christian and post partisan context What is the theologian s calling at the beginning of the third millennium How do global realities impact the mission of evangelical theology What sense can be made of the unity of evangelical theology in light of its many diverse voices Contributors Os Guinness Michael S Horton Richard Lints Bruce McCormack Mark Noll J I Packer Gary Parrett Rodney Peterson Cornelius Plantinga Tite Tienou Kevin J Vanhoozer Adonis Vidu and Miroslav Volf      **The Splendor of Truth** Catholic Church. Pope (1978-2005 : John Paul II),Pope John Paul II,1993 The Splendor Of Truth is addressed by the Supreme Pontiff Pope John Paul II to all the Bishops of the Catholic Church The context contains the fundamental questions of the church s moral teaching      The Heart Has Its Reasons Beata Toth,2016-05-26 The Heart Has Its Reasons explores a hitherto neglected area of theological anthropology the unity of human emotion and reason embodied in the Biblical concept of the heart While the theological contours of human rationality have long been clearly drawn and presented as the exclusive seat of the image of God affectivity has been relegated to a secondary position With the reintegration of the body into recent philosophical and theological discourses a number of questions have arisen if the image also resides in the body how does this change one s view of the theological significance of human affect In what way is our likeness to God realised in the whole of what we are Can one overcome the traditional dissociation between intellect and affect by a renewed theory of love In conversation with patristic and medieval authors like Irenaeus Tertullian Gregory of Nyssa Maximus and Thomas Aquinas and in dialogue with more recent interlocutors such as Blaise Pascal Ricoeur Marion Milbank and John Paul II Beata Toth pursues a novel theological vision of the essential unity of our humanity      **Angel Power** Janice T. Connell,2015-03-18 There are many angels maybe as many as the stars in the sky And every single one of these precious beings offers the world unique blessings ANGEL POWER describes the special tasks and responsibilities of each of the Nine Choirs of Angels The Seraphim Cherubim and Thrones are angels of goodness love and wisdom The Angels of Dominion are angels of leadership From the Virtue Angels flow miracles of healing comfort and peace The Power Angels are special warriors against evil and defenders of goodness The Principalities Archangels and Angels administer our planet By illuminating each Choir s special powers the author enables us more easily to draw upon its particular radiant light Weaving her own personal angel experiences together with angel prayers and with true angel stories she has been told the author teaches us to open ourselves to angelic guidance support and protection Her book spreads before us a dazzling and profoundly reassuring prospect of angel power at work a vision so beautiful and potent that those who experience it feel they know heaven on earth      The Holy See, Social Justice, and International Trade Law Rev.
