Rozeboom,2003-11-18 Christian worship in North America has undergone great change in recent years But change always brings uncertainty at times even division about what constitutes authentic worship This important book reviews a wide variety of current perspectives and offers a fresh outlook on the contemporary practice of Christian worship In order to provide the widest most insightful discussion on present day worship practices yet assembled the authors gathered a team of church musicians ministers worship leaders and educators from eight church traditions Discerning the Spirits is the fruit of their work Shaped by the wisdom of men and women like Marva Dawn Justo Gonzalez C Michael Hawn and John Witvliet this book broadens today s worship wars into a bigger richer discussion that moves from arguments over musical tastes to good thinking about the overall purpose of worship in relation to church life and God himself Sidebar articles and quotes are meant to draw readers and study groups into dialogue on these issues Whether one plays a leadership role in church worship or is simply grappling with questions about it Discerning the Spirits is a must read *Indo-Iranian Series* Abraham Valentine Williams Jackson,1917 Before Guadalupe Louise M. Burkhart,2001 The introduction of the Virgin Mary to the native peoples of Mexico is often closely associated with Our Lady of Guadalupe the principal Mexican Marian devotion Historical evidence indicates that the Mexican shrine was not established until the 1560s the legend was virtually unknown until its initial publication in Spanish in 1648 and in Nahuatl the following year and native people did not participate in the devotion to any extensive degree until after the mid seventeenth century How then was devotion to the Virgin actually introduced to Nahuas during the first decades of Christian evangelization This book addresses this question through the presentation of Nahuatl language devotional texts relating to Mary texts through which Nahuas learned about the Virgin and expressed their own developing devotion to her The wide range of Nahuatl literature on the Virgin shows that Nahuas were introduced to and to varying degrees participated in the full blown medieval and Renaissance devotion to Mary adapted into their own language Native scholars participated in the composition of much of this material Nahuatl text and English translation are presented in parallel columns Each text is preceded by introductory commentary that explicates the European background of the material and its new meanings and uses in the Mexican context **Vikrama's Adventures** Franklin
