

THE SPLINTERED PARTY

*National Liberalism
in Hessen and
the Reich, 1867–1918*

Dan S. White

Splintered Party

Tammy R. Vigil

Splintered Party:

The Splintered Party Dan S. White, 1976 As a study of the greatest middle class party of Imperial Germany The Splintered Party is inevitably in its broadest aspect an inquiry into the weaknesses of liberalism in the Empire of Bismarck and Wilhelm II How did the National Liberals the dominant force in the Reichstag of the 1870s become by 1914 a spent and divided power Professor White explores this question from a new perspective emphasizing regional circumstances as primary agents of the party's decline The resulting portrait underscores the paradox of the National Liberals a party with strength in all areas of the Empire a rarity before 1914 yet a party whose impact was undermined by divisions among its regional branches In The Splintered Party the former Grand Duchy of Hessen serves as a testing ground where the regional foundations of National Liberalism can be exposed As Professor White points out the party's reversals on the Imperial plane after 1878 rejection by Bismarck electoral defeats internal splits not only ended its early primacy in German affairs but also shifted political initiative from Berlin and the Reichstag delegation to the National Liberal branches in the states and provinces which had maintained unity power and alliances with local government in spite of the upheaval above them The consequences of this change become visible through close examination of the political and social structure in Hessen On the regional level a liberalism based on the claim to majority representation by the notables Honoratioren of bourgeois society a creed no longer plausible in national politics remained defensible Through the Heidelberg Declaration of 1884 the National Liberals of the German Southwest attempted to buttress this approach with an economic and social platform and simultaneously to make it the impulse of the national party's revival But they succeeded only in deferring National Liberalism's adjustment to democratic politics and in subordinating their movement to the clash of regional and constituency interests The result was a chronically splintered party Against the backdrop of this main theme White delineates several additional features of the changing political and social scene in Imperial Germany the local power of the notables Bismarck's skills as a political manager the character of agrarian discontent and rural anti-Semitism the steady advance of socialism The uniquely German element in National Liberalism's failure is assessed in a concluding comparison with the development of liberal politics in Britain and Italy

The Nazi Party in Dissolution David Jablonsky, 2013-10-18 This book examines the effect the Verbotzeit had on the leadership structure and on the consequent position of the party within the völkisch movement Looking primarily at Bavaria and North Germany it examines the failed attempts that were made to prevent Hitler from filling the leadership void within both the NSDAP the National Socialist German Workers Party and the völkisch movement

The Know-Nothing Party in Massachusetts John R. Mulkern, 1990 Precarious Victory David P. Conradt, Gerald R. Kleinfeld, Christian Sørensen, 2005 The 2002 campaign and election was one of the most dramatic in the history of the Federal Republic An unprecedented last minute swing narrowly re-elected the Social Democratic Green government of Chancellor Schröder The campaign featured the first ever American style television debate between the two candidates for the

chancellorship Foreign policy particularly the refusal of Schroeder to support the Iraq policies of US President George W Bush played an unusually important role In the aftermath of the election the government was faced with a deteriorating economy and the charge of the opposition that it had deliberately mislead voters during the campaign In this volume distinguished experts from both sides of the Atlantic analyse these and other critical issues Their work is based on extensive research in Germany and Washington which included interviews with major political figures and the collection of new campaign and election data Contributors William Patterson E Gene Frankland Clay Clemens Christian S e Gerald R Kleinfeld David Patton Dieter Roth Mary N Hampton Ferdinand Breitsch Irwin Collier Helga Welsh Stephen Szabo *The Complete Idiot's Guide to American History* Alan Axelrod,2002-12-13 Discusses American history from prehistory through 2002 including brief biographical sketches of historical figures and events from popular culture **The Fate of Peruvian**

Democracy Tamara Feinstein,2023-09-15 Tamara Feinstein investigates the bloody Shining Path conflict s effect on the legal Left in late twentieth century Peru illustrating the catastrophic impact state and insurgent violence can have on the growth and resilience of democratic political actors during times of war In this engaging historical study Tamara Feinstein chronicles the late twentieth century Shining Path conflict and argues that it significantly contributed to the rupture and disintegration of the noninsurgent legal Left in Peru by deepening preexisting divisions and eradicating an entire generation of leaders Using a combination of oral histories archival documents contemporary media accounts and participant observation of commemorations Feinstein maps the trajectory of the Peruvian Left s rise and fall by analyzing two emblematic human rights cases that occurred at the Left s zenith and nadir the state based violence of the 1986 Lima prison massacres and the 1992 Shining Path assassination of leftist shantytown leader Mar a Elena Moyano The lessons found in *The Fate of Peruvian Democracy* reach beyond Peru to connect with other Latin American countries Peru s story illustrates the difficulties of accumulating political force during times of violence underscores how struggles for self defense can complicate ideological stances on violence and helps explain the unevenness of the resurgence of the Left the so called pink tide in Latin America in the twenty first century The book contributes to debates on memory and human rights in Peru and Latin America where divisions over how to remember the war retraced the fault lines of earlier debates over democracy and violence

Reshaping the German Right Geoff Eley,1991 Examines the conditions under which a particular right wing ideology was generated **Bismarck** Katharine Lerman,2014-01-14 How did Bismarck Germany s greatest nineteenth century leader extend and maintain his power This new Profile examines his strengths as statesman and all the facets of his political career His many direct achievements included the unification of Germany and the expansion of Prussia In short he was the architect of Germany s change from cultural region to political nation In the end he combined egotism and brilliance exceptionally yet it was still not enough to save him from dismissal by William II [US Political Ritual and the Covid Pandemic](#) Tammy R. Vigil,2024-12-15 [US Political Ritual and the Covid Pandemic](#) The 2020 Democratic and Republican

Conventions illustrates the importance of the national nominating convention both as an ongoing custom that speaks to the unique political structure of the nation and as a source of valuable information that goes well beyond the explicit purposes conceptualized by the parties In this book Tammy Vigil specifically interrogates the 2020 nominating programs of the two major U S political parties by exploring the decisions Democratic and Republican leaders made regarding the use of technology inclusion of participants and construction of messaging during a campaign season altered by the Covid 19 pandemic Each party had the opportunity to adapt to the constraints of the moment rethink established practices and present a vision of the nation that would attract and motivate voters Vigil delineates the similarities and differences between the Democratic and Republican conventions and demonstrates how the events presaged many aspects of the general election and transition of power that followed

A Nation of Provincials Celia Applegate, 2023-11-15 At the center of this pioneering work in modern European history is the German word Heimat the homeland the local place Translations barely penetrate the meaning of the word which has provided the emotional and ideological common ground for a variety of associations and individuals devoted to the cause of local preservation Celia Applegate examines at both the national and regional levels the cultural meaning of Heimat and why it may be pivotal to the troubled and very timely question of German identity The ideas and activities clustered around Heimat shed new light particularly on problems of modernization Instead of viewing the Germans as a dangerously anti modern people Applegate argues that they used the cultivation of Heimat to ground an abstract nationalism in their attachment to familiar places and to reconcile the modern industrial and urban world with the rural landscapes and customs they admired Primarily a characteristic of the middle classes love of Heimat constituted an alternative vision of German unity to the familiar aggressive militaristic one The Heimat vision of Germany emphasized cultural diversity and defined German identity by its internal members rather than its external enemies Applegate asks that we re examine the continuities of German history from the perspective of the local places that made up Germany rather than from that of prominent intellectuals or national policymakers The local patriotism of Heimat activists emerges as an element of German culture that persisted across the great divides of 1918 1933 and 1945 She also suggests that this attachment to a particular place is a feature of Europeans in general and is deserving of further attention This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990

Embark on a breathtaking journey through nature and adventure with Crafted by is mesmerizing ebook, Witness the Wonders in **Splintered Party** . This immersive experience, available for download in a PDF format (*), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!
