Spoiled Rotten Todays Children And How To Change Them:

Spoiled Rotten Fred G. Gosman,2013-07-10 It starts with designer diapers It extends to extravagant birthday parties leads to boorish behavior and plummeting grades What is the problem here It s what we are doing to our children by not having the smarts to set boundaries impose rules and give them the firm unwavering guidance they really need Finally someone has written a book to help beleaguered parents take back their homes and their children With specific tactics unforgettable one liners and dead on target advice Fred Gosman shows you how to manage your children The Myth of the Spoiled Child Alfie Kohn,2016-03-08 A prominent and esteemed critic challenges widely held beliefs about children and parenting revealing that underlying each myth is a deeply conservative ideology that is ironically often adopted by liberal parents Somehow a set of deeply conservative assumptions about children what they re like and how they should be raised has congealed into the conventional wisdom in our society Parents are accused of being both permissive and overprotective unwilling to set limits and afraid to let their kids fail Alfie Kohn systematically debunks these beliefs not only challenging erroneous factual claims but also exposing the troubling ideology that underlies them Complaints about pushover parents and coddled kids are hardly new he shows and there is no evidence that either phenomenon is especially widespread today let alone more common than in previous generations Moreover new research reveals that helicopter parenting is quite rare and surprisingly may do more good than harm when it does occur The major threat to healthy child development Kohn argues is parenting that is too controlling rather than too indulgent With the same lively contrarian style that marked his influential books about rewards competition and education Kohn relies on a vast collection of social science data as well as on logic and humor to challenge assertions that appear with numbing regularity in the popular press and are often accepted uncritically even by people who are politically liberal These include claims that young people suffer from inflated self esteem are entitled and narcissistic receive trophies praise and A s too easily are in need of more self discipline and grit Kohn s invitation to reexamine these and other assumptions is particularly timely his book has the potential to change our culture s conversation about kids and the people who raise them **No More Misbehavin'** Michele Borba,2003-10-27 This will be the only discipline book you ll ever need to raise good kids from the Foreword by Jack Canfield coauthor Chicken Soup for the Soul and Chicken Soup for the Parent s Soul Michele Borba offers insightful realistic and straightforward advice that is sure to get immediate results Editor in Chief Parents Magazine A sensitive thoughtful eminently practical book that will help parents help their children change behaviors that will improve the child s and the entire family s well being and happiness A wonderful contribution Alvin Rosenfeld M D child psychiatrist and coauthor Over Scheduled Child Anger Anxiety Biting Bossy Bullied Bullying Chore Wars Cynical Defiant Doesn t Listen Fighting Gives Up Easily Hitting Homework Battles Hooked on Rewards Impulsivity Intolerant Lying and Cheating Materialistic Mean Negative Peer Pressure No Friends Over Perfectionism Poor Sportsmanship Put Downs Rude Selfish Sibling Battles Short Attention Span Shy Stealing Swearing
