A Spiritual Journey Through Poetry with Marion Woods

Marion Woods, 2009-07 Maybe once or twice in our lives God grants us the high honor of meeting someone special someone who walks so closely with Christ that for the moment we are sure that we are walking and talking with our Savior That is what happened when many years ago God allowed my path to cross that of Marion Woods From that first encounter like so many others I knew that Marion was someone very special His love of God his passion and compassion for God's children were so clearly evident and contagious From then on I have treasured each moment God has given us together I urge our mission team members to lean in close to drink in every word Marion has to share with us Likewise I spend every free moment sitting as close as I can drinking in every bit of wisdom every ounce of inspiration and every drop of laughter God grants us these rare gems only so often and I thank God for the gift of Marion Woods Pull up a chair sip a cup of Costa Rican coffee and be prepared to feel God's presence as Marion takes you on a walk with the Savior Rev Jimmy Towson Metter Ga FUMC

Spiritual Democracy Steven B. Herrmann, 2014-10-14 Exploring what the author calls the shaman poets Walt Whitman Herman Melville and Emily Dickinson this book demonstrates how far ahead of their times these writers were in forecasting developments of our current time It was Whitman who first wrote of Spiritual Democracy as a vision of transformation and global equality Steven Herrmann delves deep into the visionary expressions of this idea of Spiritual Democracy the realization of the oneness of humanity with the universe and all its forces in these early American writers showing the influence the groundbreaking work of the geologist and thinker Alexander Von Humboldt had on Whitman and others Writing that every member of the global community regardless of color gender or sexual orientation can realize these freedoms the author explores how one can tap into the vitalizing source of equalizing vocational energy to bring a sense of purpose and peace Although the book shines as a work of literary criticism the author's insights as a Jungian psychotherapist take the reader ever deeper into the creative impulses of Whitman Melville Dickinson and other poets in their crafting of the seminal
