The Dance Of The Red Swan:

The Dance of the Red Swan Halvard Johnson,1971 **The Red Swan** John Bierhorst,1976-05-01 The best of the American Indian myths are works of art blending form and content into an organic whole in which the great themes of human experience are interwoven much as they are in a memorable short story or novella But if the underlying themes are similar the metaphorical and narrative conventions are vastly different and it is this aesthetic gap that critic John Bierhorst intends to bridge in this companion volume to his well known anthology *In the Trail of the Wind* American Indian Poems and Ritual Orations Over forty cultures including the Eskimo the Iroquois the Navajo the Maya and the Bororo are here represented by sixty four carefully selected myths and tales Yet *The Red Swan* will be valued not so much for its scope or its quantity as for the superb quality of the stories themselves Among the classic narratives included are *The Fight of the Quetzalcoatl* Aztec *The Rival Chiefs* Kwakiutl *The Hungry Old Woman* Anambe *Two Friends* Greenland Eskimo and *The Red Swan* Chippewa A number of the translations the work of such ethnographers as Franz Boas James Teit and George Bird Grinnell have been left untouched others have been expertly revised and some of the selections all of which deserve to be much better known appear in English for the first time **Red Swan** P.
