The Dark And Feeling:

Feeling in the Dark Victoria RenéE Manley, 2012-05 Torianey Heckstall's personal philosophy says it all Feeling in the dark is a metaphor for how she feels when she makes the most of the decisions in her life Life is a random cascade of experiences and opportunities or so she thought On a whim she decides to upgrade a night she's taking to first class never daring to imagine that this one seemingly random decision would change her life in ways she could only once dream of Sitting next to her is the man who will change her life Que Shaune Guadau II is the owner of a billion dollar oil corporation founded by his father But even he knows that money can't buy him everything he craves and he's too distracted to realize that the beautiful stranger next to him in first class could change his life too Shaune and Tory made a deal with each other that will change both their lives forever Tory was never a woman to go back on her own rules even so Shaune's relentlessness would soon make her question her unshakeable moral core And he will do whatever it takes to convince her that he is the man for her Neither is able to abandon the sexy dirty cat and mouse games and this creates a problem for Shaune's best friend Marcus Swain Jealous and vindictive Marcus controls a game of his own in which the two become unwitting players Soon he engineers a tumultuous rift between them Now it's a race to see which game is the more powerful seduction or sabotage

I See More Clearly in the Dark Vanessa Holyoak, 2023-05-15 I See More Clearly in the Dark chronicles the experiences of a narrator referred to only as I as she wanders a dystopian near future drained of life sustaining darkness the kind that Japanese novelist Junichirō Tanizaki imagines beneath trees that stand deep in the forest This ethical and ecological desecration is lived out simultaneously by a parallel I an amorphous prehistoric or posthuman body living and dreaming in a lush and tenebrous wilderness The government has decided to wipe out national forests to install brilliant homogenous resorts in which citizens are obliged to live under conditions of total illumination the forest's expansive darkness remaining only as a memory and haunting source of imagination When her lover is relocated as part of this Resort Plan I is left to mourn a present emptied of intimacy or future from her home in the city of P based loosely

on Paris Ville Lumi re before escaping to the edge of the forest to seek out the darkness that might remain Potent damp fecundly poetic tapping ancient crawlspaces and communal future logics both with lean trancey prose a treatise on darkness as urgent vital recalibration for the late capitalist surveillance show and its suite of ever expanding horrors Jess Arndt author of Large Animals This beautiful book exercises a delicate muscle weak from habitual disuse the ability to see while eliding the snare of being constantly on view Alexandra Kleeman author of Something New Under the Sun A parable on the tyranny of visibility Holyoak s vivid evocative prose confronts readers with a radically embodied subjectivity John Miller artist and writer Damning and redemptive within its symbiotic apocalypse a relic waiting to be born Jon Wagner poet theorist translator
