The Day Of Creation A Novel:

The Day of Creation: A Novel J. G. Ballard, 2012-05-21 Compulsively absorbing the white heat of its images seems to burn off the page and the surreal landscapes linger on in the mind Independent On the arid war plagued terrain of central Africa a manic doctor is consumed with visions of transforming the Sahara into a land of abundance But Dr Mallory's obsession quickly spirals dangerously out of control First published in 1987 this classic Ballard thriller continues to resonate with dark implications for the future of humanity Publishers Weekly *The Day of Creation* J. G. Ballard, 2012 As Dr Mallory watches his clinic fail on the parched terrain of central Africa he dreams of discovering a third Nile that will make the Sahara bloom When there is a trickle on the local airstrip and soon a river the obsessed Mallory claims it as his own creation Joined by Noon a silent adolescent girl who as a child ran with the local guerrillas Professor Sanger a documentary filmmaker with a fading reputation and Nora Warrer the widow of a Rhodesian veterinary surgeon the remains of whose menagerie flourish exotically amid the land's new fertility Mallory sets out for the river's source Dust jacket *The day of creation* J. G. Ballard, 1984 *The Story of Creation* Calum M. Carmichael, 2019-06-07 Calum Carmichael asserts that biblical texts both in the Old and New Testaments which have been the subject of interpretation for centuries are themselves often the products of the ancient authors' interpretation of still other literary compositions Claiming that parts of the Bible constitute major and very early examples of exegesis Carmichael demonstrates that the author of the story of creation in Genesis 1 produced his work in reaction to troubling issues that arose in the story of the exodus The author of John's Gospel in turn recounted the life of Jesus in light of the story of creation Pointing out that much of modern literary criticism has roots in biblical hermeneutics Carmichael turns his attention to the richness and complexity of the ancient world's own modes of interpretation By doing so he is able to uncover the heretofore unrecognized influence of the exodus story on the creation story and of the creation story on John's Gospel Carmichael first shows how the author of the seven day scheme of creation in Genesis produced it in response to his reading of the exodus story which was centuries old in his time He then shows the extent to which the author of John's Gospel was influenced by first century cosmological speculation Philo's in particular In the first five chapters of his gospel the author elaborated the details of the creation story to present in allegorical fashion incidents from the life of Jesus **Judaism's Story of Creation** Jacob Neusner, 2021-09-06 During the formative age of Judaism the first seven centuries CE the great rabbis thought deeply about beginnings in light of endings They imposed upon their sequential reading of each passage the accumulated results of their reflection about all passages Thus they encompassed Scripture so as to describe the world as God had intended it to be This act of intellect resulted in two distinct ahistorical media of thought and expression the Halakhah law and Aggadah lore The author provides three systematic accounts of the Halakhic reading and two Aggadic accounts The Halakhic accounts cover 1 Work and Rest 2 Ownership and Possession Eden and the Land and 3 Ownership and Possession in the Household The Aggadic accounts pertain to 1 the Six

darkness he the Creator named in Exodus 3 14 15 was the one that came to set us free from our spiritual captivity because we had no power to set ourselves free Genesis chapters 1 3 is an extraordinary historical riches to rags to riches story unlike anything that one can even begin to imagine Learn Hebraic definitions for faith hope love holiness heaven earth and other theological ideas often lost in translation Learn about the biblical functions of male and female Learn the Hebraic truth and context behind Genesis 3 16 Your desire shall be for your husband and he shall rule over you Learn about the marriage between the Serpent and Eve Learn Hebraic principles behind giving and receiving to build strong relationships Learn about a High Priest cherub who rebelled in the throne room of Heaven and morphed to become the Serpent the Satan of the Bible Meet the Word the Son of Elohim God in Heaven Meet the Word the Son of Elohim God on Earth Discover the two Genesis creations of man Day 3 and Day 6 and learn why Yeshua Jesus had to resurrect on the Third Day Discover the Hebraic meaning of the Law of Sin and Death Learn about DNA quantum entanglement and the second death of Genesis 2 17 Discover the background that drives Paul s theology about the Works of the Law and Under the Law in the New Testament Book of Galatians These concepts and so much more packed into this introduction to the Genesis Creation Story **The observer of Genesis. The science behind the creation story.** Alberto Canen,2017-04-23 Genesis the seven days of Creation Where does the text that makes up the first part of the Bible come from Is its text a mere introductory poem or is it a narrative What s behind its words Alberto Canen has found an alternative way to answer these and other questions in the Genesis He has found a route no one had been to before and invites the reader to discover it and make their findings with him The author has found that hidden in the bottom of the plot there is someone Someone who observes someone who tells Someone who tells what he observes And a place a location from which he observes The location of the observer The key to an exciting puzzle The Genesis has been a mystery for thousands of years No one had been able to understand what the text spoke about whether it was just an introductory poem to the Holy Scriptures or it actually contained information about the Creation The text of Genesis divided the waters of creationists and scientistics long until today With this book I hope to dilute this separation between scientistics and creationists since I have discovered the key that unifies both worlds I think the key to the mystery of Genesis is to understand that it is narrated by someone A narrator of Genesis Someone who observes the vision God gives him and from there he tells what he observes and he observes it from his human and earthly location This earthly and accurate location is the key to understanding Genesis
