The Day Of The Rainbow:

The Day the Rainbow Came Alive Dolores Ann Halward,2014-02-13 This weaves together a delightful heartwarming story and gives great visuals and feelings for young children who want to see and feel all the magic of their favorite characters come alive Overall this is an imaginative exciting children story *THE VALLEY Of EEBARAL* Virginia Henley-Miller,2025-03-06 It was a day that was going to be like no other for the two young ladies They were not only going to find a beautiful meadow but in that place they would also find a mythical being that would ultimately change both their lives forever Rainbow on her way to the Lands Before Time found herself in this beautiful meadow As she looked around there they were the young women she was to protect Most times it was to be only one maiden but she was given two Not knowing about her future for sure now Rainbow wasn't so sure she would be following the rest of her herd to the Lands Before Time As Rainbow was making ready to continue on her journey she assured them she would keep in mental touch with the maidens after she was gone She left the meadow with a heavy heart but moved on not paying attention until it was near dusk and she was close to the land of mankind She had to find shelter until full night for during twilight hours unicorns can be seen by man She had only a little while then there they were three strapping young lads her saviors who safely hid her from sight Rainbow thought she could almost communicate with the youngest of the trio there was just something different about the young man It was with a confused heart that she left the three of them behind as she continued to what she did not know She felt that she would have a future with her maidens along with the lads they would be a part of it Onward to the Valley of Eebaral they must go The place held many wonders for all to find the mythical beasts along with the human ones From the marvels of the caves in the meadow to the dense forest and its magic in the beyond All in Eebaral Rainbow's End Maury Klein,2003-05-01 *Rainbow's End* tells the story of the stock market collapse in a colorful swift moving narrative that blends a vivid portrait of the 1920s with an intensely gripping account of Wall Street's greatest catastrophe The book offers a vibrant picture of a world full of plungers powerful bankers corporate titans millionaire brokers and buoyantly optimistic stock market bulls We meet Sunshine Charley Mitchell head of the National City Bank powerful financiers Jack Morgan and Jacob Schiff Wall Street manipulators such as the legendary Jesse Livermore and the lavish living Billy Durant founder of General Motors As Klein follows the careers of these men he shows us how the financial house of cards gradually grew taller as the irrational exuberance of an earlier age gripped America and convinced us that the market would continue to rise forever Then in October 1929 came a perfect storm like convergence of factors that shook Wall Street to its foundations We relive Black Thursday when police lined Wall Street brokers grew hysterical customers bellowed like lunatics and the ticker tape fell hours behind This compelling history of the Crash the first to follow the market closely for the two years leading up to the disaster illuminates a major turning point in our history *Pynchon's Against the Day* Jeffrey Severs,Christopher Leise,2011-02-24 Thomas Pynchon's longest novel to date *Against the Day* 2006 excited diverse and energetic opinions when

it appeared on bookstore shelves nine years after the critically acclaimed *Mason* its commentary on science belief and faith and its views on politics and economics the contributors contend that *Against the Day* is not only a major addition to Pynchon's already impressive body of work but also a defining moment in the emergence of twenty first century American literature

The Rainbow's End: Alaska Alice Palmer Henderson, 1898 *The Day the Dream Came True and Other Poems* Adam D. Pfeffer, 2008-12-30 This collection of inspiring poetry includes such favorites as I THOUGHT I SAW A RAINBOW THE LIGHT SHINING ROUND THE WORLD and THE WAR NOBODY FOUGHT Besides poems inspired by Barack Obama's victory the collection recalls events of the past including THE TWENTIETH CENTURY THE DAY THE TOWERS FELL and THE LAST DAY OF THE CENTURY The collection includes rhyming poems and many free or blank verse poems and includes an historical perspective Subjects such as television advertising greed society in general and yes love are confronted in an entertaining manner A conscious effort was also made to distort and ultimately obliterate form in some of the poems In experimenting with the form and wordplay involved the essentials of poetry are explored Meant to be entertaining reading many of these poems will stimulate you and affect your life in a positive manner THE DAY THE DREAM CAME TRUE and OTHER POEMS is an homage to hope for anyone seeking peace in the world **Rainbow's End** Lauren St John, 2007-04-24 This is a story about a paradise lost About an African dream that began with a murder In 1978 in the final bloodiest phase of the Rhodesian civil war eleven year old Lauren St John moves with her family to Rainbow's End a wild beautiful farm and game reserve set on the banks of a slowflowing river The house has been the scene of a horrific attack by guerrillas and when Lauren's family settles there a chain of events is set in motion that will change her life irrevocably Rainbow's End captures the overwhelming beauty and extraordinary danger of life in the African bush Lauren's childhood reads like a girl's own adventure story At the height of the war Lauren rides through the wilderness on her horse Morning Star encountering lions crocodiles snakes vicious ostriches and mad cows Many of the animals are pets including Miss Piggy and Bacon and an elegant giraffe named Jenny The constant threat of ruthless guerrillas prowling the land underscores everything making each day more dangerous vivid and prized than the last After Independence Lauren comes to the bitter realization that she'd been on the wrong side of the civil war While she and her family believed that they were fighting for democracy over Communism others saw the war as black against white And when Robert Mugabe comes into power he oversees the torture and persecution of thousands of members of an opposing tribe and goes on to become one of Africa's legendary dictators The ending of this beautiful memoir is a fist to the stomach as Lauren realizes that she can be British or American but she cannot be African She can love it be willing to die for it but she cannot claim Africa because she is white **At the Rainbow's Edge** Kenny Anthony, 2004 *Word for the Day* Kathy Barker, 2021-07-21 Have you ever experienced disaster that knocks the breath out of you Watching my son lose his home from Hurricane Florence left me with no words but my heavenly Father showed me His Words are enough As I dove into His Word for healing strength and direction His Word dove into my spirit As
