The central image is a composite illustration of a pyramid. The pyramid's face is divided into several panels, each depicting a different historical scene or symbol. From top to bottom, the panels show: a classical building facade, a sun-like symbol, a scene of two figures (possibly a religious or historical event), a scene of a person in a chariot, and a scene of a person in a boat. The pyramid is set against a background of a sunset or sunrise sky, with a dark horizon line. The overall color palette is dominated by the warm tones of the sky and the dark tones of the pyramid and background.
