## **The Dead Sea Community Its Origin And Teachings:**

Wealth in the Dead Sea Scrolls and in the Qumran Community Catherine Murphy, 2018-12-24 This volume is concerned with exploring sectarian attitudes toward wealth and the economic practices that gave rise to and issued from those attitudes. An introductory chapter establishes the state of the question. Three subsequent chapters focus on major sectarian texts: the Damascus Document, the Rule of the Community, and 4QInstruction. A. Other sectarian and non-sectarian texts that mention wealth are discussed in a fifth chapter, while archaeological evidence from the Qumran region and contemporary documentary texts are introduced in chapters seven and eight. Finally, ancient secondary testimony on Essene economic practices is discussed. The book breaks new ground in arguing for several biblical rationales for the practice of shared wealth. Its integration of archaeological and documentary evidence sheds surprising new light on the economic organization of the Qumran community.

**Significance of the Dead Sea Scrolls and other Essays** S. Nkhoma, 2013-07-26 Jonathan Nkhoma in this scholarly collection of essays enriches the reader with different interesting windows on how one can unearth the riches contained in some of the New Testament writings. The first two essays underscore the importance of placing the New Testament in a proper context and attempt to construct this context by discussing the historical background and the theological understanding of the Qumran Covenanters as derived from the Dead Sea Scrolls. Jonathan Nkhoma treats many aspects touching the proper interpretation of the New Testament writings. For example, he shows how the sacramental rituals of washing and eating together in the Qumran Community add meaning to the same rituals carried over to the New Testament. The significance of table fellowship is treated in greater depth in a subsequent essay. Throughout the various essays, the question of the historicity of the various texts is treated in a succinct way, and the author is able to come to some helpful conclusions drawing on the previous work of many well-known scholars. The later essays tackle the very difficult question of martyrdom, and Jonathan Nkhoma delves into the history of two particular cases in order to shed light on this difficult subject. All essays are written in impeccable English which flows in an easy style. This collection of essays would be invaluable to anyone who would wish to make a serious study of the New Testament writings.

*The Dead Sea Scrolls in Context* Armin Lange, Emanuel Tov, Matthias Weigold, 2011 The Dead Sea Scrolls enrich many areas of biblical research as well as the study of ancient and rabbinic Judaism, early Christian and other ancient literatures, languages and cultures. With nearly all Dead Sea Scrolls published, it is now time to integrate the Dead Sea Scrolls fully into the various disciplines that benefit from them. This two-volume collection of essays answers this need. It represents the proceedings of a conference jointly organized by the Hebrew University of Jerusalem and the University of Vienna in Vienna on February 11-14, 2008.

Christian origins      **Josephus' Description of the Essenes Illustrated by the Dead Sea Scrolls** Todd S. Beall,2004-12-23 This study provides an analysis and commentary on Josephus description of the Essenes in the light of the new material from Qumran A fresh translation is provided alongside the Greek text of the passages in Josephus as well as a full commentary on the major passages in which he describes this group      **History, Culture, and Religion of the Hellenistic Age** Helmut Koester,2020-05-18 No detailed description available for History Culture and Religion of the Hellenistic Age      **The Quest for Context and Meaning** Talmon,Craig A. Evans,2021-11-15 This collection of studies is published in honor of Professor James A Sanders a leading scholar in the fields of the canon of Scripture textual criticism and the relationship of the two Testaments Contributors include leading scholars in these and related fields of study The studies investigate in what ways the early sacred tradition was interpreted and how this tradition takes new shape in the Jewish and Christian communities of faith Included are studies of Jesus understanding of Scripture Paul s interpretation of Scripture and the ways in which Scripture was interpreted by the Rabbis In many instances novel interpretations and new approaches to old problems are offered Advanced students and veteran scholars will enjoy the many insights and provocative new ideas
