this new and definitive English translation of The Complete Black Book of Russian Jewry is a major literary and intellectual event From the time of the outbreak of the war Ehrenburg and Grossman collected the eyewitness testimonies that went into The Black Book As early as 1943 they were planning its publication the first edition appeared in 1944 During the years immediately after the war Grossman assisted Ehrenburg in compiling additional materials for a second edition which appeared in 1946 in English as well as Russian Since the fall of the Soviet regime Irina Ehrenburg the daughter of Ilya Ehrenburg has recovered the lost portions of the manuscript sent to Yad Vashem The texts recove **Between the Wires** Waitman Wade Beorn, In Search Of A Lost People; The Old And The New Poland Joseph Tenenbaum, Sheila Tenenbaum, 2016-01-18 The heart breaking story of Joseph Tenenbaum who visited Poland in 1945 after the end of the Second World War in search of his Jewish relatives I can only report fragments of what I saw and heard or read during my two and a half months abroad But these fragments seem to me to be not only of moment to Jews Despite all the investigating commissions and international committees on behalf of Jewry the world knows little enough of the depths of human degradation or the great surges of spirit and individual flashes of heroic greatness that have been revealed There is a clash of two worlds a clash that has not ceased with the death of Hitler in the gasoline flames in the cellars of the German chancellery The sparks from the body burning stakes at the Janowska camp in Lwow of the ovens at Majdanek Treblinka and Belzec and the flames of the chimneys at Birkenau Sobibor Oranienburg and Mauthausen have seared the human soul and scarred the human conscience We cannot avoid facing the truth simply by ignoring it or driving it underground The sanity of man his very soul requires a thorough catharsis which can come only through frank discussion through revealing the naked evil in all its deformity and horror We must think through all the implications past and present and realize their full dimensions Only thus can sanity and moral strength be preserved for future generations In short while this book aims at giving a frank presentation of facts and conditions it is hoped that it may offer a modest educational contribution towards a better world From the Author s Introduction
