The Devil At The Crossroads

The Devil At The Crossroads:

The Devil's Crossroads Kathryn Pippin, 2001-03 The Devil's Crossroads has a cast of characters as varied and wickedly exciting as Agatha Christie has ever created. It is an elaborate scandal mongering novel filled with strange and bloody history during a time when greed and violence reigned along the Delmarva Peninsula where slavery was vogue. The Devil's Crossroads provides enough thrills to satisfy readers who enjoy accounts of historical stories that are unusual and exciting.

Charles P. Mitchell, 2015-06-08 The Devil has been represented in many film genres including horror, comedy, the musical, fantasy, satire, drama, and the religious epic, and in these works has assumed many shapes and forms. This book begins with a discussion of how the devil has been portrayed on stage, how that portrayal carried over to the big screen, and what are the standard elements of a satanic plot. Each entry in the filmography includes year of production, running time, writer, editor, cinematographer, producer, and director, evaluative rating, annotated cast list, plot synopsis, overall appraisal, and a spotlight on the actor playing Satan.

Devil at the Crossroads Cornelia Grey, 2013-09-23 The devil covets more than his soul. Six years ago Logan Hart sold his soul to the devil to become the greatest bluesman of all time, and now the devil has come to collect. The irony is that Logan squandered his gift. High on fame, money, and drugs, he ignored his muse and neglected his music. And despite escaping showbiz in a moment of clarity, it's too late to redeem himself. All that's left is to try to go out with some dignity. Alas, the prospect of an eternity in Hell isn't helping much with that goal. But farfarello, the devil who bought Logan's soul isn't ready to drag him down to Hell quite yet. He's just spent six years working his ass off to whip a bluesman into shape, and he refuses to let that or the opportunity for more sinful pleasures with Logan go to waste.

What Happens Next? Gail de Vos, 2012-06-26 This fascinating book uncovers the history behind urban legends and explains how the contemporary iterations of familiar fictional tales provide a window into the modern concerns and digital advancements of our society. What do ghost hunting, legend tripping, and legendary monsters have in common with email hoaxes, chain letters, and horror movies? In this follow-up to *Libraries Unlimited's Tales, Rumors, and Gossip: Exploring Contemporary Folk Literature in Grades 7-12*, author Gail de Vos revisits popular urban legends and examines the impact of media, online, social, and broadcast on their current iterations. *What Happens Next: Contemporary Urban Legends and Popular Culture* traces the evolution of contemporary legends from the tradition of oral storytelling to the sharing of stories on the Internet and TV. The author examines if the popularity of contemporary legends in the media has changed the form, role, and integrity of familiar legends. In addition to revisiting some of the legends highlighted in her first book, de Vos shares new tales in circulation which she sees as a direct result of technological advancements.
