Endelman, 2010-12-01 Key themes and issues relevant to writing the social history of the Jews in the modern period are brought to the fore here in a way that is accessible both to professional historians and to educated readers with an interest in Jewish history Some of the articles are programmatic and argumentative others are case studies Together they create a strong coherent volume that demonstrates the advantages of the social historical perspective as a tool for interpreting the Jewish world *Policing the Pandemic* Lambros Fatsis, Melayna Lamb, 2021-12-07 Written in the context of the BlackLivesMatter protests this book explores why law enforcement responses to a public health emergency are prioritised over welfare provision and what this tells us about the state s criminal justice institutions **Getting Ready for Secession** Carl Wells, 2016-04-22 The end is near or the beginning The United States is falling down drunk broke We are bankrupt We were of course morally bankrupt first Our moral bankruptcy led to our financial bankruptcy What happens if when the financial system implodes This huge and out of control baby killing wedding bombing Leviathan may implode as well That sounds like it might be dangerous because it is But reality exists Thats my theory anyway and Im sticking to it No evil empire goes on forever Ask Assyria Nazi Germany and the Soviet Union God is sovereign And He will strongly support those whose heart is completely His 2 Chronicles 16 9 Maybe the end of the United States can be a turning point for enormous good in world history But we all Christians and non

Greene ,2015-11-20 The principle upon which this verse by verse study of Revelation proceeds is that the contents of the book are in the main yet future and that the fulfillment of the greater part of Revelation cannot take place as long as the Church remains here on earth When the Lord JESUS comes in the Rapture and the Church is caught up to meet Him in the air then the events in Revelation from chapter four through chapter twenty two will occur The New Testament Church CHRIST s body and His bride is now in the process of being called out and will be completed when the Rapture occurs This is known as the Church Age or the Dispensation of Grace During this dispensation both Jews and Gentiles are being saved and they all become members of the same body I Corinthians 12 12 13 The New Testament Church is not a subject of prophecy but is a New Testament revelation Matthew 16 16 17 Ephesians 3 Before our very eyes in this day political and religious events are taking place which point to the end of this age of grace But after the Rapture the seventieth week of Daniel s prophecy Daniel 9 27 will bring about startling changes here on this earth The entire political system will be rearranged under Satan s prime minister the Beast of Revelation A gigantic confederation of ten powers will rule The old Roman Empire in all of its power and glory will appear under new conditions It will be guided and controlled by the Little Horn of Daniel 7 known in the New Testament as the Beast His partner in murder and crime is the Antichrist who will be the religious dictator and the head of the world church which is now in the making What the Beast does politically the Antichrist will do religiously The two will control all political

and religious activity here on earth Bear in mind that this takes place after the Rapture of the church Revelation 3 10 I Thessalonians 5 9 Just before the King of Kings overthrows the Beast and the Man of Sin everything that is vile religiously will head up under the leadership of the whore the mystical Babylon Mystical Babylon will be overthrown by the ten kings Revelation 17 16 who at first were with her and upheld her in all of her vileness but who later turn to destroy her The ruin of the great whore is lamented by the kings the merchants and the people outside the Roman Empire Revelation 18 9 18 The final destruction and annihilation of the great whore will be by Almighty God Himself Revelation 18 2 21 24 This will take place shortly before the destruction of the Beast The Beast will be destroyed by the Lord in person when He comes in mighty power read Revelation 19 The destruction of mystical Babylon and the destruction of the Beast are separate events The destruction of mystical Babylon precedes the destruction of the Beast The events recorded in Revelation chapters four and following cannot take place as long as the Church is here on earth Evil at the present is actively at work and the mystery of iniquity is already working But the mystery of iniquity is restrained kept in check by the Holy Spirit II Thessalonians 2 6 7 The presence of the New Testament Church and the presence of the HOLY GHOST restrain the development of the mystery of iniquity The church of the Antichrist cannot be revealed and the faith cannot be totally annihilated from the visible Church until the church at Philadelphia Revelation 3 7 is raptured to meet the Lord in the air and until the Laodiceans are spued out and remain here on the earth However the principles are at work which are surely and rapidly undermining the moral foundations of the professing church and of society in general The stage is set and the higher critics are doing all in their power to undermine the faith

Political Animals Rick Shenkman,2016-01-05 Can a football game affect the outcome of an election What about shark attacks Or a drought In a rational world the answer of course would be no But as bestselling historian Rick Shenkman explains in Political Animals our world is anything but rational Drawing on science politics and history Shenkman explores the hidden forces behind our often illogical choices Political Animals challenges us to go beyond the headlines which often focus on what politicians do or say they ll do and to concentrate instead on what s really important what shapes our response Shenkman argues that contrary to what we tell ourselves it s our instincts rather than arguments appealing to reason that usually prevail Pop culture tells us we can trust our instincts but science is proving that when it comes to politics our Stone Age brain often malfunctions misfires and leads us astray Fortunately we can learn to make our instincts work in our favor Shenkman takes readers on a whirlwind tour of laboratories where scientists are exploring how sea slugs remember chimpanzees practice deception and patients whose brains have been split in two tell stories The scientists findings give us new ways of understanding our history and ourselves and prove we don t have to be prisoners of our evolutionary past In this engaging illuminating and often riotous chronicle of our political culture Shenkman probes the depths of the human mind to explore how we can become more political and less animal
