The Dialectic Of Sex The Case For Feminist Revolution:

The Dialectic of Sex Shulamith Firestone, 2015-04-01 An international bestseller originally published in 1970 when Shulamith Firestone was just twenty five years old The Dialectic of Sex was the first book of the women s liberation movement to put forth a feminist theory of politics Beginning with a look at the radical and grassroots history of the first wave with its foundation in the abolition movement of the time Firestone documents its major victory the expansion of the franchise in 1920 and the fifty years of ridicule that followed She goes on to deftly synthesize the work of Freud Marx de Beauvoir and Engels to create a cogent argument for feminist revolution Ultimately she presents feminism as the key radical ideology the missing link between Marx and Freud uniting their visions of the political and the personal The Dialectic of Sex remains remarkably relevant today a testament to Firestone s startlingly prescient vision The author died in 2012 but her ideas live on through this extraordinary book *The Dialectic of Sex* Shulamith Firestone, 2003-03-05 No one can

understand how feminism has evolved without reading this radical inflammatory second wave landmark Naomi Wolf Originally published in 1970 when Shulamith Firestone was just twenty five years old and going on to become a bestseller The Dialectic of Sex was the first book of the women s liberation movement to put forth a feminist theory of politics Beginning with a look at the radical and grassroots history of the first wave with its foundation in the abolition movement of the time Firestone documents its major victory the granting of the vote to women in 1920 and the fifty years of ridicule that followed She goes on to deftly synthesize the work of Freud Marx de Beauvoir and Engels to create a cogent argument for feminist revolution Identifying women as a caste she declares that they must seize the means of reproduction for as long as women and only women are required to bear and rear children they will be singled out as inferior Ultimately she presents feminism as the key radical ideology the missing link between Marx and Freud uniting their visions of the political and the personal In the wake of recent headlines bemoaning women s squandered fertility and the ongoing debate over the appropriate role of genetics in the future of humanity The Dialectic of Sex is revealed as remarkably relevant to today s society a testament to Shulamith Firestone s startlingly prescient vision Firestone died in 2012 but her ideas live on through this extraordinary book The Dialectic of Sex Shulamith Firestone, 1979 **The Dialectic of Sex** S. How Sex Got Screwed Up: The Ghosts that Haunt Our Sexual Pleasure - Book Two Jon Knowles, 2019-06-28 The ghosts that haunt our sexual pleasure were born in the Stone Age Sex and gender taboos were used by tribes to differentiate themselves from one another These taboos filtered into the lives of Bronze and Iron Age men and women who lived in city states and empires For the early Christians all sex play was turned into sin instilled with guilt and punished severely With the invention of sin came the construction of women as subordinate beings to men Despite the birth of romance in the late middle ages Renaissance churches held inquisitions to seek out and destroy sex sinners all of whom it saw as heretics The Age of Reason saw the demise of these inquisitions But it was doctors who would take over the roles of priests and ministers as sex became defined by discourses of crime degeneracy and sickness The middle of the 20th century saw these medical and religious teachings challenged for the first time as activists such as Alfred Kinsey and Margaret Sanger sought to carve out a place for sexual freedom in society However strong opposition to their beliefs and the growing exploitation of sex by the media at the close of the century would ultimately shape 21st century sexual ambivalence Book Two of this two part publication traces the history of sex from the Victorian Era to present day Interspersed with personal hauntings from his own life and the lives of friends and relatives Knowles reveals how historical discourses of sex continue to haunt us today This book is a page turner in simple and plain language about how sex got screwed up for millennia For Knowles if we know the history of sex we can get over it
