accident and she's been living with her aunt and uncle ever since. When things suddenly go awry, the truth comes out: Sonia's parents' death was no accident. They were set up, and they left a very important list for their little girl: Sonia's aunt and uncle flee with their family because Sonia is now set on a dangerous mission. Her parents left her a list of people she has to kill in order to avenge them and stay alive. She is prepared for this undertaking, but she is shocked to discover her high school crush is part of the plan as well. She must train him to become a killer too. Slowly, Sonia forms a talented team. She travels all over India in search of villains on her parents' hit list. Relationships form between team members as do suspicions. After all, can killers really trust each other? There are ten targets and one team. Will they catch and kill the traitors, or will something go horribly awry, just like the murder of Sonia's parents?

The Decade That Rocked Mark Weiss, Richard Bienstock, 2020-06-02

Featuring the iconic and never before published photography of Mark Weiss, *The Decade That Rocked* covers the biggest names from the 80s hard rock scene, including Jon Bon Jovi, Ozzy Osbourne, Mötley Crüe, and more. I have read pretty much every rock n' roll biography, there is worth reading, and you never know what to expect when you pick up a new book. Well, let me tell you: Mark Weiss has raised the bar for rock n' roll books. With *The Decade That Rocked*, Mark has always been at the top of his field, and the level of detail and quality put into this book is the ultimate testament to his rock n' roll photographic legacy. Sebastian Bach: Mark is the real deal. He may not play the guitar, but that camera is his guitar. He's a rockstar. Gene Simmons: Mark's energy, his creativity, his drive, his positive attitude, and his enthusiasm make him one of the legends of rock photography. It's why his work, both old and new, is still so in demand today. Mark Weiss inspires greatness in all he turns his camera lens on. But don't take my word for it. Just look at the pictures in this book: Dee Snider. His pictures say as much as the music. Rob Halford. He was one of the guys. He wasn't one of the 18 photographers you'd work with that day. Alice Cooper. He had that instinct to recognize our energy and use his technical talent to capture it. Joe Perry. *The Decade That Rocked* breaches a level of intimacy that so many music photographers are lacking today. Each and every photo exemplifies the trust and the synergy between photographer and subject. You can feel the essence of the music in the live shots just as vibrantly as you can feel the spirit and the essence of the musicians behind the scenes. Screamer Magazine. Mark Weiss: Guy Weiss set an unmatched standard for rock photography. Starting out as a teenager by sneaking into concerts with a neighbor's 35mm camera, he embarked on a legendary career that took him around the globe and onto some of the most memorable album and magazine covers in rock history, featuring the likes of Van Halen, Ozzy Osbourne, Aerosmith, and Mötley Crüe to Metallica, Guns N' Roses, Bon Jovi, and KISS, and so many more. With 700 photos, brand new interviews, and stories from Mark himself, *Decade that Rocked* is a monument to the photography, friendships, and legacy of an artist that helped define one of rock's most iconic eras. This career-spanning collection features a unique lens on the golden age of rock. Never before or rarely seen photos of legends like Van Halen, Ozzy Osbourne, Aerosmith, and Mötley Crüe to Metallica, Guns N' Roses, Bon Jovi, and KISS, as well as countless others whose sound and image defined the era. Exclusive interviews: Ozzy Osbourne, Dee Snider, Nikki Sixx, Joe Perry.

Rob Halford and many more recall their memories of this era defining decade *Untold Stories Relive Mark's unbelievable journey through rock history from getting arrested for selling photos outside of Kiss concert to touring with legends like Van Halen to photographing Bon Jovi's infamous Slippery When Wet shoot shooting backstage at Live Aid with Black Sabbath and so many more* Definitive Lens Creem magazine readers ranked Mark Weiss as rock's top photographer of the 80s His work has appeared on some of the most iconic album and magazine covers of all time Captured from the unique vantage point of a photographer who lived and breathed the 80s in all its grit and glory *The Decade That Rocked* brings to life the no holds barred sounds and sights that changed the world of hard rock and metal forever [The Mafia's Greatest Hits](#) David H.
