Richard W. Barber

The Holy Grail:

The Holy Grail Justin E. Griffin, 2012-10-27 The existence of the Holy Grail has long been debated and many of these debates focus on the intellectualized or psychological aspects of it This work explores the events that gave rise to the legend of the Holy Grail and pays special attention to the texts that form the body of the legend as well as historical facts about the life of Christ the Crusades and the fall from grace of the Knights Templar The book examines the legitimacy of the claims made by several present day believers and also introduces a new theory of multiple grails and the evidence supporting this theory which the author believes answers many of the otherwise unanswered questions surrounding the Holy Grail The Holy Grail Norma Lorre Goodrich, 1992 Of the Holy Grail *The Holy Grail* Richard W. Barber, 2004 In this fascinating work Barber traces the history of the legends surrounding the Holy Grail beginning with Chrétien de Troyes's great romances of the 12th century and the medieval Church's religious version of the secular ideal The Holy Grail Giles Morgan, 2009-01-20 Through its various guises as magic cauldron cornucopia horn of plenty and chalice cup the Holy Grail has remained at the center of popular culture from antiquity right up to the present day **The Holy Grail** Richard Barber, 2004-12-02 The Holy Grail is an image familiar to us all as an almost unattainable infinitely desirable goal The idea has passed into everyday speech and the legends behind it are as current in today's culture as they have ever been And yet the Grail has no real religious meaning and is nowhere mentioned in the Bible What is the truth behind this elusive symbol Here Barber traces the history of the stories surrounding the Holy Grail He describes how through a long series of imaginative transformations the grail has moved from the sphere of romance to religion and in twentieth century popular culture has become an emblem of mysticism and man's highest aspirations intimately linked with the central ritual of the Christian faith The search for the grail has always been described as a quest in this book Barber goes on his own quest brilliantly exploring the richness of the Holy Grail's cultural impact Barber traces the history of legends surrounding the Holy Grail from Chrétien de Troyes's great romances to the popular bestsellers of the late twentieth century **The Quest of the Holy Grail** Jessie L. Weston, 2019-05-29 Published in 1965 In the following pages the author has endeavoured to give as clearly and concisely as possible a description of the literature composing the Grail cycle an analysis of its content and a survey of the leading theories to which this perplexing body of romance has given rise **The Holy Grail** Juliette M Wood, 2012-09-15 The Holy Grail is one of the most fascinating themes in medieval literature It was described as the vessel used by Jesus to celebrate the first Eucharist and it became the object of the greatest quest undertaken by King Arthur's knight This book examines the traditions attached to the Holy Grail from its first appearance in medieval romance through its transformation into an object of mystical significance in modern literature and film It is a journey filled with knightly quests mystics and holy relics poets and novelists outlandish speculation and serious thought *The Little Book of the Holy Grail* Sangeet Duchane, 2004 The Legends of the Holy Grail Alfred Trübner Nutt, 1902 *The Holy Grail* Malcolm Godwin, 1994 The legend of the mystical
