The Holy Spirit In The Ancient Church:

The Holy Spirit in the Ancient Church Henry Barclay Swete,1997-01-08 In this volume the study of the history of the doctrine of the Holy Spirit is carried on from the sub apostolic writers to the end of the patristic period which is generally held to terminate with Gregory the Great in the West and John of Damascus in the East This is an early classic study in doctrinal development by one of the foremost exegetes of the late 19th early 20th century **The Holy Spirit in the Ancient Church** Swete Henry Barclay,2023-07-18 The Holy Spirit is one of the most mysterious and elusive aspects of Christian theology yet it has been a subject of intense interest and debate throughout the history of the church In this seminal work by Henry Barclay Swete one of the leading biblical scholars of the late 19th century the Holy Spirit is examined in the context of early Christianity specifically in the writings of the Church Fathers Swete argues that the Holy Spirit was a central and indispensable part of Christian life and worship from the very beginning and that its role has been obscured by later theological controversies and divisions This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Holy Spirit in the Ancient Church; A Study of Christian Teaching in the Age of the Fathers - Scholar's Choice Edition** D D, Henry Barclay Swete,2015-02-13 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Holy Spirit in the Ancient Church** Henry Barclay Swete,1996 **HOLY SPIRIT IN THE ANCIENT CHURCH** HENRY BARCLAY.
